Women Empowerment

1. Women empowerment simply refers to having the same rights a man should have.
2. This is the great need of this present society.
3. The empowerment of a woman can be termed as the ability to become a source of self-independence.
4. Empowering women may be the best solution to alleviate poverty in India and bring economic growth.
5. Their engagement in work is not only of monetary value but are essential to run a society.
6. Being a woman is a gift given to us by nature and it is the women who possess this gift more deeply.
7. Empowerment refers to a process whereby women, marginalized on the basis of gender, class, caste, ethnicity or age.
8. It gives the self-confidence to grow in their ability to move freely within the society.
9. It can be analyzed as an important factor behind women's increased economic status.
10. We should definitely give women their equal rights, in present days all women are equal.
