**Sub: Proposal from the IQAC, Government General Degree College at Mejia (Gopalpur)
for academic development of the college.**

Dear Sir,

The undersigned as a coordinator of Government General Degree College at Mejia (Gopalpur) would like to place the following proposal before you in relation to the academic development of the college after the establishment of the IQAC on 18.04.2017.

1. It is the opinion of the IQAC that the college authority should proceed to fill the vacant teaching posts in different subjects as well as nonteaching post such as librarian, accountant, cashier and permanent security personnel.
2. It also opines for the development of infrastructures related to number of class rooms, computer, library soft-ware, books and journals in the library.

Thanking you,

Yours faithfully,

(Sri Alope Kumar Das)
Coordinator, IQAC

Government General Degree College at Mejia (Gopalpur)
