A Brief Report of an Orientation Programme

Gender Sensitization and the Constitution of Gender Cell

Organized by, Cell of Gender Sensitization (In accordance with Sakhyam)

Date: 4<sup>th</sup> December, 2018

**Time: 1.00 PM** 

Venue: Room No. 301

### About the programme:

Cell for Gender Sensitization of Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143, W.B. organized an Orientation Programme on Gender Sensitization and the Constitution of Gender Cell in accordance with the Saksham Guidelines on 04.12.2018 at 1PM in Room No. 301 of this college. An interactive session was also planned following the orientation programme.

### **Programme Objective:**

"Gender sensitization is not a matter for students alone but is required in all colleges and universities, and for all sections of the community - students, faculty in all disciplines, support staff and administration". In line with the Saksham Guidelines for ensuring safe campus for female students and employees, this orientation programme was organized to promote awareness on gender sensitivity especially among the students and also for the other stake holders of this college.

### **Participation:**

In total thirty (30) participants from different disciplines attended the event and actively participated.

### **Programme Outcome:**

• This programme provided an outline on different aspect of gender sensitization and gender equality- masculinity, issues pertaining to sexual harassment and knowledge about the law and rights.

Stadei la Biscoas

3

- Students attentively listen to the lectures and discussion and spontaneously interact with the spoke persons during the interactive session.
- Committee members helped the students to break the shell sharing their personal ill experience under various circumstances.

### Feedback

Students acknowledged the organizing committee for arranging such programmes as they believe there is lack of gender sensitivity. They appealed for awareness programmes on such issues in future too.

### Call for Papers

Kabi Jagadrum Roy Government General Degree College, Mejia – established in 2015 – is named after Jagadrum Roy, one of the poets of medieval Bengali literature, who hailed from Mejia. His most notable work – the Adbhut Jagadrumi Ramprosadi Ramayan, a transcreation of Valmiki's Ramayana – was written in the last decades of the eighteenth century.

The seminar is a collaborative venture between the college and the Department of English, Jadavpur University, under RUSA 2.0. At a time when triumphal and jingoistic nationalism and sub-nationalisms are threatening to tear anumber the diverse social fabric of this country, unitary tendencies have left the local and the regional in danger of being marginalized, appropriated, distorted, homogenized, or erased. In such cases when they do receive scholarly attention, there is a tendency to regard them as fixed or static entities, rooted and limited within their respective contexts. It is against this backdrop that the seminar's aim to bring together scholarship on local and regional nodes and networks of cultural and knowledge production assumes significance. This seminar aims to look at such regional and local cultural productions as dynamic entities, and part of a network of shared ideas and influences. We therefore solicit proposals which pay attention to the processes of production as well as those of transmission, interpretation and adaptations of cultural practices.

#### Sub-themes

-orally, orature -pre-print literacies -loklore and folkways -endangered cultural practices -local spaces of performance -local/regional histories Local/regional physical culture or any sport Local/regional art,craft. -resisting the metropole -Indigeneity, ethnicity, majority/minority. These sub-themes are merely indicative and any other themes related to the topic are welcome.

SCHEDULE OF PROGRAMME AND ABSTRACTS

## <u>Report on UGC-RUSA 2.0 Sponsored One Day National Seminar on "Regional Cultures</u> <u>and Literatures: Locations and Linkages" Jointly Organised by Kabi Jagadram Roy</u> <u>Government General Degree College, Mejia and Department of English, Jadavpur</u> <u>University, Kolkata on 19 February, 2020</u>

Cultural homogenization is an inevitable offshoot of cultural globalization. The process of cultural homogenization with regard to the rampant Western capitalist culture has given birth to some popular, critical jargons like McDonaldization, Cocacolonization, Americanization and the like which are nothing but the wider ramifications of cultural imperialism and neocolonialisms. In the face of the aggressive forces of all these, along with the triumphal march of jingoistic nationalisms and sub-nationalisms, the local and the regional happen to be at a stake of being marginalised, distorted and appropriated. In such a state when unitary, homogenizing tendencies have conspired to push to the background the regionalities, specificities and pluralities of the country, obliterating people's sense of place, a Seminar on "Regional Culture and Literatures" proves to be a necessity and almost an imperative so as to revisit and remember the significance of the regional and the local. With this view in mind Kabi Jagadram Roy Government General Degree College, Mejia in collaboration with Department of English, Jadavpur University, Kolkata has organised a UGC-RUSA 2.0 Sponsored One Day National Seminar on "Regional Cultures and Literatures: Locations and Linkages" on 19 February, 2020. It is true that despite globalization, state-centralization of cultural power and international consumerism, people have refashioned and are refashioning external cultural inputs to conform to local sensibilities. People use the very elements of globalised culture to rediscover, invent, fashion, promote and celebrate their place-specific distinctiveness. In this context, the Seminar attempted to bring together scholarship that would focus on locating the sites of transactions, transmissions, adaptations, practices and productions of regional culture and literature.

The Seminar was attended by the esteemed dignitaries, delegates and participants from all over the country. We had as our guests Prof. Avijit Gupta, Department of English, Jadavpur University, on behalf of the co-organising institution and as our esteemed Invited Speakers Prof. Angshuman Kar, Department of English, The University of Burdwan, Prof. Satyabati Giri, Retired Professor, Department of Bengali, Jadavpur University and Dr. Balram Uprety, Assistant Professor, Department of English, St. Joseph's College, Darjeeling.

The Seminar began with the inaugural song followed by lighting of the lamps by the dignitaries and their formal reception. The Welcome Address was delivered by the Convener of the Seminar Ms. Sutista Ghosh, Assistant Professor of English, Kabi Jagadram Roy Government General Degree College. After that the Presidential Address was given by Sri Aloke Kumar Das, Officer-in-Charge, Kabi Jagadram Roy Government General Degree College.

Prof. Abhijit Gupta, Department of English, Jadavpur University, then delivered his address on behalf of the co-organising institution. Next, the Keynote Address was delivered by Prof. Angshuman Kar, Department of English, The University of Burdwan. The address of Prof. Kar who is a name in the academic and the creative domain alike both in the state and the country, had set the ambience and the tune of the seminar perfectly.

The inaugural session of the seminar ended with Prof. Kar's address followed by a short break for tea and tiffin. After the break began the plenary session with two esteemed plenary speakers—Prof. Satyabati Giri and Dr. Balram Uprety. The plenary session was chaired by Prof. Angshuman Kar. Both the plenary speakers made some interesting and beautifullyorganised intellectual deliberations on the topic that both enlightened and enriched the audience.

Next began the Technical Session 1 of the Seminar in the main venue. Along with it also began Parallel Session 1 which took place in Room No. 301 in the 2<sup>nd</sup> floor. Technical Session 1 was chaired by Prof. Abhijit Gupta and the speakers of the Session were— Dr. Suchismita Hazra, Assistant Professor of English, Dasarathi Hazra Memorial College; Debarati Ghosh, Assistant Professor, St. Xavier's College, Burdwan; and Ballari Das, PhD Research Scholar, Jadavpur University.

The participants of Parallel Session 1 were—Nitish Ghosh, Assistant Professor, Tehatta Government College; Parthasarathi Sarkar, Assistant Professor, Kotshila Mahavidyalaya; Gargi Chattopadhyay, Part-Time Lecturer, Azad Hind Fouz Smriti Mahavidyalaya; and Tanushree Dey, Part-Time Lecturer, Swami Dhananjoy Das Kathiababa Mahavidyalaya. The Session was chaired by Prof. Satyabati Giri.

The sessions were followed by a lunch break of thirty minutes. Before beginning the Technical Session 2, the Wall Magazine of our college titled "Ekushe", prepared by the students of our college and scheduled each year to be published on 21<sup>st</sup> of February to commemorate the bhasa patriots and celebrate International Mother Language Day, was inaugurated by one of our esteemed speakers, Prof. Satyabati Giri. We took the opportunity of the special occasion of the Seminar to inaugurate the Wall Magazine even two days in advance simply because the very theme of our seminar was very much in keeping with the UNESCO initiative of promoting awareness of linguistic and cultural diversity and extolling multilingualism.

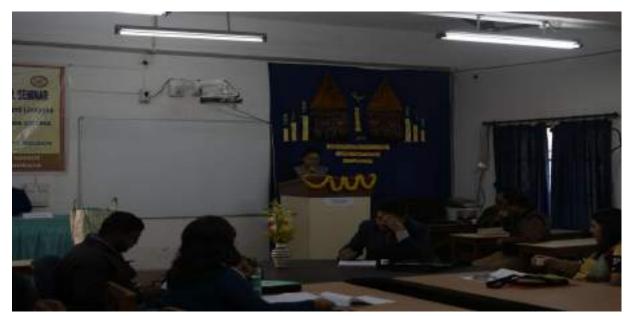

After the inauguration of the Wall Magazine, began Technical Session 2 and a Parallel Session (2) in the main venue of the Seminar and in Room No. 301 respectively. The speakers of the Technical Session 2, chaired by Dr. Balram Uprety, were— Arnab Chatterjee, Assistant Master of English, Government Model School, Onda, Bankura; Dr. Rahi Soren, Assistant Professor, Jadavpur University & Sitaram Baskey, Project Fellow; Naren Mondal, PhD Research Scholar, Department of English, Visva-Bharati and Nilkanta Das, Research Scholar, Department of Art History, Visva-Bharati.

Parallel Session 2 was chaired by Dr. Santanu Niyogi, Assistant Professor of English, Raniganj Girls' College and the speakers of this Session were— Subham Mallick, Independent Research Scholar; Srijanee Adhikari, M.A. (2nd Year), Department of English, Jadavpur University; Prayasi Kumar, B.A. (Semester V, 3rd Year), MUC Women's College and Kajori Patra, B.A. (3rd Year), Department of English, Jadavpur University.

After the end of the sessions, the Vote of Thanks was delivered by the Joint Convener of the Seminar, Dr. Kalyan Mukherjee, Assistant Professor of Bengali, Kabi Jagadram Roy Government General Degree College. The Seminar ended with the closing song performed by the students of our college followed by the distribution of the certificates to the participants. The Seminar was conducted in bilingual mode i.e., in English and Bengali. With the active participation of the students, scholars, delegates, teachers and the non-teaching staff, the Seminar was a grand success.

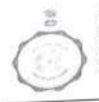

### Major Takeaways from the Seminar:

- 1. The Seminar redirected our focus to conceptualise and emphasise the importance of the regional literature and culture littered around the diverse points of the regional sites.
- 2. It also helped us locate the linkages i.e., to find the sites of transactions, negotiations, transmissions and adaptations among the varied practices and productions of regional cultures and literatures.
- 3. At a time when the triumphal and jingoistic nationalisms and sub-nationalisms threaten to tear asunder the diverse social fabric the country thereby leaving the regional and the local in the danger of being marginalised, homogenised and erased, such a Seminar was the need of the day which made us realise and reconsider the significance of the linguistic, literary and cultural diversities in tandem with the regional and the local and the need to celebrate and appreciate them. In the context of the larger ramifications of cultural imperialism and neo-colonialism, this Seminar made us reflect and rethink on the means and strategies of preserving the local and the regional staving off the greater waves of the global.
- 4. In the context of the larger ramifications of cultural imperialism and neo-colonialism, the Seminar made us reflect and rethink the means and strategies of preserving the local and the regional staving off the greater waves of the global.

A Brief Report of a Sensitization Campaign

On

## "Health hazard and ill effect of Tobacco"

Organized by, Student Welfare Committee

Date: 11<sup>th</sup> March, 2020

Time: 11.00 AM

Venue: Room No. 207

### About the programme:

Student Welfare Committee of Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143, W.B. organized a Sensitization Campaign on "Health hazard and ill effect of Tobacco" on 11.03.2020. The event was performed at 11AM in Room No. 207 of this college under the supervision of Department of Health and Family Welfare, Government of West Bengal. An interactive session was also carried out following the sensitization programme.

### **Programme Objective:**

"Tobacco consumption is injurious to health". Studies of World Health Organization (WHO) show that smokers have a higher risk foe a severe case of corona virus. WHO calls on all young people to join the fight to become a tobaccofree generation. In line with these guidelines this sensitization campaign was organized to promote awareness on harmful and deadly effects of tobacco consumption and passive smoke exposure, and to discourage the use of tobacco in any form. Also to equip young people with the tools to rebuff devious tactics

employed by the tobacco industries, thereby empowering young people especially the students to stand up against them. The overall programme was coordinated by Sri Debraj Das, Assistant Professor of Economics and Jt. Convener of Student Welfare Committee.

### **Participation:**

In total ninety (90) participants from different disciplines, mostly the students, attended the event.

### **Programme Outcome:**

- This programme provided an outline on different aspect of tobacco consumption, deceitful business strategy of the tobacco industries and counseling methods for quiting this ill habit.
- Students attentively listen to the lectures and discussion. The spoke persons made the ice break and involved the students during the interactive session.
- Committee members helped the students to break their hesitation.

## Feedback

Students welcomed the initiative and acknowledged the organizing committee for arranging such awareness programmes.

### **Participation:**

An overwhelming presence of 240 participants (teachers, scholars and others) from different institutions was an asset of this webinar.

### **Objective:**

Environmental deterioration belongs one of the ten threats officially cautioned by the High-Level Panel of the United Nations. Ever since human civilization started utilizing natural resources, environmental deterioration was instigated. It happened slowly but steadily, poses a threat to human society. Taken together, those perils may represent the greatest public health challenge humanity has ever faced. Environmental degradation causes chemicalization and degradation of the health of the body and harm to the soul and mind because of the resulting unmet needs of the many and the greedy consumption of the few. Anthropogenic deterioration of environment triggered emergence of new diseases. The main objective of the webinar is to focus on the ill effects of environmental deterioration on human health such as Cancer, Dengue, Zoo noses etc. These will be discussed by four eminent speakers of diverse professionals like, Cancer biologist, Zoologist cum Academician, Physician and Veterinarian.

### Sub modules

- 1. Environmental deterioration and increasing rate of dengue attack.
- 2. Biodiversity loss, changes in disease ecology and emergence of diseases.
- 3. Zoonosis, host switching and emergence of diseases.
- 4. Global health burden.

### **Outcome:**

- Several types of environmental degradation and their philosophical implications are discussed in this webinar
- The event aided the participants to aware on a burning issue, graced the audience with some important works and findings shared by the specialized resource persons on those particular fields and provided chance. with us your and opinions
- Participinats had a chance of fruitful free interaction with the professionals during the Pandemic.

Sub: Acceptance of proposal for organisation of a webinar on "Environmental Deterioration and our Health" on 3<sup>rd</sup> week of August, 2020 in collaboration with Kabi Jagadram Roy Government General Degree College, Mejia.

Ref. Your Letter Dated 10.08.2020

Respected Sir.

I. on behalf of our college want to convey many thanks for your well wish to organize a webinar on "Environmental Deterioration and our Health" on 3<sup>rd</sup> week of August, 2020 in collaboration with our college. It is our great pleasure that your renowned college have selected our newly established college for such collaborative work. We gladly accept your invitation. We have very limited experiences of conducting such national level webinar/seminar. We will try our level best to make it a grand success under your guidance and advices.

It will be better if we jointly discuss the matter very soon. So, please let me know when some of the representatives of both the colleges meet through e- conference and formulate the plan, mainly regarding speakers, technical supports and other related work etc. for conducting the webinar.

Thanking you,

Yours sincerely

#### About the programme:

During the COVID Pandemic the Internal Complaints Committee [I.C.C.] and the Gender Sensitization Committee of Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143 took the initiative to organize an Awareness Programme on "*Gender Sensitization and Functioning of ICC*" (on web platform) on 11<sup>th</sup> June, 2021 at 3.00 PM.

### **Programme Objective:**

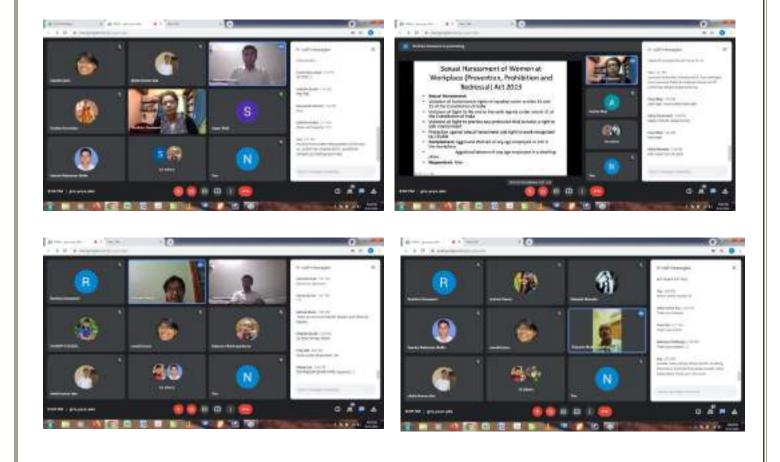

In line with the University Grants Commission's (UGC) guidelines, this programme was organized to generate awareness and accountability of the stakeholders regarding gender sensitization, gender equality as well as gender equity. In addition, goal of this awareness campaign was also to provide information regarding the functioning of ICC constituted in pursuance of *University Grants Commission Regulations*, 2015 for Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students of Higher Educational Institutions to provide an appropriate mechanism for prevention and redressal of sexual harassment of women.

#### **Participation:**

Spontaneous response from all the departments was noticed. In total hundred and twelve (112) participants attended the event.

#### **Programme Outcome:**

 Ms. Ruchira Goswami, the distinguished and focal resource person of this event, lucidly discussed on different gender related issues, interacted with students and faculty members, and addressed their queries. Dr. Nandini Jana, Presiding officer, ICC and Associate Professor, Durgapur Government College; Mrs. Sharmila Banerjee, NGO member, ICC, Kabi Jagadram Roy Govt. General Degree College also shared their valuable thoughts with others. Students and teachers both freely interacted and exchanged their views. • Stakeholders, both male and female, were enlightened as well as sensitized by the healthy discussions on gender related various issues.

### "MODERN TRENDS IN EARTH SCIENCES"

organized by, Department of Geology Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B., India November 20, 2021 (Saturday at 10.30AM) & November 21, 2021 (Sunday at 2.30PM)

A two-day National Seminar (virtual mode) on "MODERN TRENDS IN EARTH SCIENCES" was organized on November 20-21, 2021 as an initiative of Department of Geology Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B.

The Seminar was initiated by the welcome address of **Dr. Asesh Kumar Maji**, Head, Department of Geology. In his address Dr. Maji emphasized on the relevance of the seminar during the Covid Pandemic and the need of networking for conducting such seminars. He welcomed all the dignitaries: the guest speakers- **Dr. Subir Sarkar**, Professor and former Head, Department of Geological Sciences, Jadavpur University, Kolkata; **Dr. Santanu Banerjee**, Professor and Head, Department of Earth Sciences, IIT Bombay, Mumbai; **Dr. Vandana Prasad**, Professor and Director, Birbal Sahani Institute of Palaeosciences, Lucknow; **Dr. Sudipta Sengupta**, Retired Professor and Emeritus Scientist, Department of Geological Sciences, Jadavpur University, Kolkata; the Officer-in Charge of KJRGGDC **Prof. Aloke Kumar Das**; faculty members and students within and outside the institutions; non-teachings faculties and the other participants.

The welcome address was followed by *Saraswati Vandana* presented by Geology UG-III student **Saptarshi Banerjee**.

The seminar was inaugurated by Chief Patron Prof. Aloke Kumar Das, Officer-in-Charge, KJRGGDC. In his inauguration speech he thoughtfully addressed his concern regarding this educational initiative, welcomed all the delegates and participants, expressed his cooperative gesture towards the organizing committee and encouraged the students for their active participations.

Opening remarks of the National Seminar was delivered by **Dr. Nivedita Chakraborty**, convener of the event. She focused on the goal and different perspectives of the seminar, possible outcome of this event and introduced the guest speakers to the audience.

#### **Participation:**

Interested faculty and students from different colleges and universities within and outside the state were invited in the national seminar. The online seminar witnessed spontaneous response of 124 participants: students, scholars, teachers and professionals from different institutions. All of the participants were provided e-certificate.

#### Seminar Objective:

The stature of the Earth Sciences has grown with each new decade defining the history of life, unveiling the evolution of the planetary surface, locating natural resources and characterizing the climate system. Continuing theoretical and technical improvements through fresh minds, new ideas and skills have allowed setting the modern trends in earth sciences over the last several decades. That enriches our existing knowledge, set the new goals, enlightens future research paradigm and benefits the society. Keeping this in view, Department of Geology, Kabi Jagadram Roy Government General Degree College took the initiative of organizing the national seminar on *"Modern trends in Earth Sciences"* on virtual mode so that the seminar becomes useful in the dissemination of information for the sake of academic excellence and students benefit. Goal of the seminar was also aimed to enable the students and scholars to interact with leaders and innovators in their fields during the Covid Pandemic.

#### Seminar Outcome:

With a spontaneous response in registration and a large number of participants, the seminar was a memorable and highly educational event. The event aided the participants to learn topical issues, acquire knowledge about the current trends and have a broad idea about different fields of Earth Science from some great academicians of India. Participants were academically enriched through the free interaction with the speakers each of who were academic stall outs in their own fields.

#### **Process of Programme:**

The seminar comprised of two technical sessions. Both sessions included two lectures each of 45minutes duration followed by ten minutes interactive session.

In Technical Session-I (Day 1), conducted by Dr. Nivedita Chakraborty, there were two lectures:

• The first lecture was delivered by Prof. Subir Sarkar on **Uniformitarianism: Myth or truth** by *Prof. Subir Sarkar*. In his lecture Prof. Sarkar explained the application and validity of the law of Uniformitarianism drawing different examples from ancient rock record as well as from modern set up.

• The second lecture was on **Petroliferous Basins of India** by *Prof. Santanu Banerjee*. Prof. Banerjee cited different petroliferous basins of India emphasizing on their structural, tectonic background and discussed on their hydrocarbon potential with up-to-date database.

In the Technical Session-2 (Day 2), conducted by Dr. Nivedita Chakraborty (convener) & Ms. Indrani Mondal (Jt. Convener), there were another two lectures:

• *Prof. Vandana Prasad* talked about **Biogeography of tropical plants based on Indian** fossil evidences. Initiated from a basic level of paleobotany and biogeography she gradually presented her topic in global background and explained the topic in light of research potential.

• The final lecture of the seminar was delivered by *Prof. Sudipta Sengupta* on Antarctica : A Continent for Science. In her lecture Prof. Sengupta not only shared her terrific experience of dual expedition in the icy continent but audience learned various basic and advance knowledge of the enigmatic land.

The technical sessions were followed by a feedback session. Geology UG-II student **Sunanda Chowdhury** shared her experience and comment on the national seminar.

Convener Dr, Chakraborty expressed her sincere gratitude to the guesst speakers and all the participants for their support. She especially acknowledged Joint Convener **Ms. Indrani Mondal** for bearing huge responsibility for the broadcasting section.

Finally in the Valedictory Session **Dr. Asesh Kumar Maji**, Head, Department of Geology conveyed the vote of thanks.

#### Students Feedback:

Good afternoon respected OIC Sir, respected chairperson, honorable guest speakers Prof. Subir Sarkar, Prof. Santanu Banerjee, Prof. Vandana Prasad and Prof. Sudipta Sengupta, all of my teachers in the college, my seniors, classmates and participants from other institutions.

Myself Sunanda Chowdhury, student of Geology UG II, 3rd Semester.

I like to share a few words regarding my experience of the seminar. This is the first time I am hearing a seminar on national level. Being a student of geology, I was really excited regarding this seminar organized by our Department, as it is a rare opportunity to hear such great earth scientists live and to get chance of direct interaction with them; especially during this pandemic time. I really enjoyed each and every lecture a lot. It was a wonderful experience for me. The lectures were on different aspects of earth sciences; therefore we got a broad idea of the subject. They were easy to understand and at the same time very much informative. We knew many interesting facts related to the field from the lectures and the interactive sessions which will guide us in our future study. I would like to express my earnest thankfulness and gratitude to all of the guest speakers. Thank you Sir, thank you Ma'am.

I would like to thank the Department of Geology of our college for arranging such a great seminar and providing us the opportunity of listening and learning from such great personalities. It's like a dream comes true. I hope my friends, seniors and juniors of my department would agree with me.

We are thankful to the teachers of our department. I wish we will get such opportunities in future too.

Thank you very much for providing me the chance to share my experience.

Date: 06/01/2022 (Thursday); Time: 10.00AM

Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. observed Students' Week on 6<sup>th</sup> January (Thursday) at 10.00AM onwards on virtual mode through Google Meet link meet.google.com/ojg-ywti-ivh. On the eve of this occasion online Student Seminar was organized by the department on general and interesting topics of the Earth Sciences.

The Seminar was initiated by the welcome address of Dr. Asesh Kumar Maji, Head of the Department and convener of this event. In his address Dr. Maji emphasized on the relevance of the seminar during the Covid Pandemic. He encouraged the students for their active participations.

#### **Participation:**

Thirteen (13) students of different semesters along with the three faculty members, Dr. Asesh Kumar Maji, Dr. Nivedita Chakraborty and Ms. Indrani Mondal attended this event.

#### **Programme Objective:**

In connection with the guideline of Higher Education Department, Department of Geology took the initiative to organize a programme to boost up the students during the covid Pandemic. The event was conducted in such a way so that each and every student can actively participate in the entire event. Different topics were provided to them for their presentation to develop their individual skill in ICT tools and methods, as well as to enhance self confidence level.

Hudita Durmandy

### A brief report on one-day Seminar

"Functional Traits, Ecology and Phylogeny" organized by,

Department of Geology Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B., India

Date: March 24, 2022 (Thursday); Time: 11.30AM Venue: Seminar Hall (Room No. 301)

A one-day Seminar on **"Functional Traits, Ecology and Phylogeny"** was organized by the Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. on March 24, 2022 (Thursday) at 11.30AM at the Seminar Hall (Room No. 301).

The Seminar was initiated by the welcome address of **Dr. Asesh Kumar Maji**, Head, Department of Geology. In his address Dr. Maji emphasized on the relevance of the seminar in the offline mode after the Covid Pandemic and the need of conducting such seminars. He welcomed all the dignitaries: the Officer-in Charge of KJRGGDC **Prof. Aloke Kumar Das**; the guest speaker- Pinaki Roy, Assistant Professor of Geology, Durgapur Government College; faculty members of Dept. of Geology and other departments, students and the non-teachings faculties.

The seminar was inaugurated by Chief Patron Prof. Aloke Kumar Das, Officer-in-Charge, KJRGGDC. In his inauguration speech he thoughtfully addressed his concern regarding this educational initiative, welcomed all the delegates and participants, expressed his cooperative gesture towards the organizing committee and encouraged the students for their active participations.

Opening remarks of the Seminar was delivered by **Dr. Asesh Kumar Maji**, convener of the event. He focused on the goal and different perspectives of the seminar, possible outcome of this event and introduced the guest speaker to the audience.

Hinder Surmary .

**Organizing Secretary** 

## **Participation:**

This seminar was organized for especially for the students of Department of Geology, KJRGGDC. Around 20 participants, mostly students from current batches and few ex-students of this department, attended the lecture.

### **Seminar Objective:**

A general pattern of geographical gradients in species diversity prevails widespread across the tree of life, with species richness in most groups declining from the tropics to the poles and from low to high elevations. This kind of variation reflects deterministic differences in the ecological capacity of environments to support increasing biodiversity towards the lowland tropics. However, the importance of these alternative scenarios remains unknown, largely because standardized information on functional traits and their ecological relevance is lacking for major diversity gradients. Functional traits are known to highlight both species' contributions to ecosystem properties and services and, their tolerance to environmental stressors and disturbances. In parallel, a phylogenetic perspective has been widely used in functional trait studies at levels ranging from individuals to communities. Keeping this in view, Department of Geology, Kabi Jagadram Roy Government General Degree College took the initiative of organizing a one-day seminar on "Functional Traits, Ecology and Phylogeny" so that undergraduate students of this department get a chance to learn this specialized yet topical subject in connection with their Palaeontology core paper under CBCS curriculum. The seminar also aimed to a one on one free interaction with the speaker which was exceedingly desired by the students after the Covid Pandemic.

## **Seminar Outcome:**

With a spontaneous response from students, the seminar was a memorable educational event. The event aided the participants to learn about an interesting and essential topic with high academic relevance and research potential from an expert in this particular field. Participants were academically enriched through the free interaction with the speaker. They also got chance to observe a number of specimens in hand under the guidance of the speaker in the practical session.

Mindete Subwaty .

**Organizing Secretary** 

### **Process of Programme:**

The seminar comprised of one technical session with a single lecture of one hour. In his lecture, Prof. Roy initiated from a basic level of paleontology (especially for pelecypods) and gradually presented the topic in global background and in light of research potential. In the beginning of his lecture Dr. Roy emphasized on the Functional Traits and Phylogeny. He explained the concept of species and taxonomy and, functional morphology (different biological designs) for bivalves. He lucidly discussed on the diverse mode of life and put light on the mechanism of burrowing and boring. In the final segment of the talk Dr. Roy focused on bivalve ecology and ecosystem. He explained how bivalve impact on nutrient cycling and effect habitat.

The lecture in ICT mode was followed by a practical session with paleontological hand specimens allowing free interaction between the speaker and the students.

The technical sessions were followed by a feedback session. **Nipa Sen and Nilavo Shith,** student of UG-III and UG-II of this department respectively, shared their experience on the seminar. Ex-student of the department **Rupan Roy** also put his comment.

Finally in the Valedictory Session Convener **Dr. Asesh Kumar Maji** conveyed the vote of thanks. He expressed his sincere gratitude to the guest speaker **Dr. Pinaki Roy** for his lucid lecture, shared thankfulness to his departmental colleagues **Dr. Nivedita Chakraborty and Ms. Indrani Mondal** for organizing the event, **Sri Karuna Ghosh** for taking care of the technical issues and all other participants, especially the students for their spontaneous response and support.

## **Students Feedback:**

- I am first time attending a seminar in offline mode. It was an excellent opportunity for me to hear such an important topic from an expert in that field and to interact with him face to face. I learned a lot of new things in an easy way. I am grateful to my teachers for organizing such an excellent talk by Dr. Pinaki Roy. I wish my department will organize such seminar/lecture in future too. Thank you.
   (Nipa Sen, Roll No. 1935083, UG-III).
- It was a wonderful experience for me. Being a student of UG-II, I got a chance to know a topic of my previous semester in a more detailed and advanced way. I could relate almost everything and got a chance to know some advance level of information too which I believe will be useful during my masters. I am grateful to my department for organizing this seminar for us. Thank you.

(Nilavo Shit, Roll No. 2035096, UG-II).

• I am a student of the first batch of this department. In our time we did not get a scope to participate such academic programme in our own college. When NC Ma'am shared the notice in our alumni group I decided to attend it. It will be a memorable experience for me. I have completed M.Sc in Geology. Still I feel highly benefitted from this seminar. I express my thankfulness to my teachers of this department to organize such a meaning event. I am grateful to Dr. Pinaki Roy for this highly informative presentation. Thank you.

(Rupan Roy, Ex-student, Dept. of Geology, KJRGGDC).

A brief report on one-day International Online Workshop on "Fundamentals of Planetary Science: Methods and Scopes" organized by, Department of Geology Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B., India June 3, 2022 (Friday), 16hrs. IST

A one-day International Online Workshop on "*Fundamentals of Planetary Science: Methods and Scopes*" was organized by Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. on 3<sup>rd</sup> June, 2022.

The seminar was inaugurated by Chief Patron **Prof. Aloke Kumar Das**, Officer-in-Charge, KJRGGDC. In his inauguration speech he welcomed all the delegates and dignitaries and other participants, appreciated Department of Geology for this educational initiative, and encouraged all the participants especially the students and scholars.

**Dr. Asesh Kumar Maji**, Head, Department of Geology and IQAC coordinator of the college emphasized, in his address, on the relevance of the seminar during the Covid Pandemic and the need of conducting such academic programmes.

**Dr. Nivedita Chakraborty** being the Organizing Secretary of the workshop put the opening remarks of the International workshop. She focused on the prime objective of the workshop, its unique perspectives and expected outcome.

**Dr. Indrani Mondal** (Organizing Secretary) introduced the three resource persons of the workshop to the audience: i) **Dr. Priyabrata Das** (Research Investigator of Astrobiology, Team Lead of Planetary Sciences of Spaceonova Pvt. Ltd. & Visiting Researcher of PRL-ISRO; ii) **Dr. Ranjan Sarkar** (Planetary scientist & Postdoctoral fellow in Max-Planck Institute for Solar System Research, Göttingen, Germany) and iii) **Mr. Subham Sarkar** (DST-INSPIRE fellow at Space Applications Centre, ISRO, Ahmedabad).

### **Participation:**

Spontaneous response was received from UG and PG students, research scholars, teachers and professionals from different leading state, central and foreign universities, institutions, different Government organizations (including GSI, ISRO, IIRS) and private companies including some leading ones (Ex. Cairn Oil and Gas). 146 participants of the workshop were provided e-certificate.

Hickory Damanay

**Organizing Secretary** 

### **Seminar Objective:**

This workshop has been designed to provide a brief over view about some of the key scientific questions, research methods and techniques, applications and future potential of Planetary Sciences to the students and scholars of Geoscience discipline.

### **Seminar Outcome:**

With an overwhelming response of participants from different parts of the nation and abroad, the seminar was a memorable and exceedingly educational event. The workshop aided the participants to learn about the fundamental as well as practical knowledge with recent updates in Planetary Science. Participants were highly benefitted through the free interaction with the resource persons during the Covid Pandemic. The vividness of the lectures not only encouraged the students and academicians but also attracted the non-geology persons and common people in audience.

### **Process of Programme:**

The workshop had a single technical session conducted by **Dr. Nivedita Chakraborty** and **Ms. Indrani Mondal**. There were three lectures each of 30minutes duration and two interactive sessions each of ten minutes interval one after the second lecture and another after the final lecture.

• The first lecture was on "*Why do we explore the planets? - Geological perspective*" by **Dr. Priyabrata Das**. In his lecture Dr, Das explained the need of exploration and mission, compared geological timescale of earth and Mars, cited and discussed on some enigmatic features on Mars (ex. Distribution of sedimentary rock in Mars, traces of liquid water activities) sharing some updated information and satellite images published by NASA.

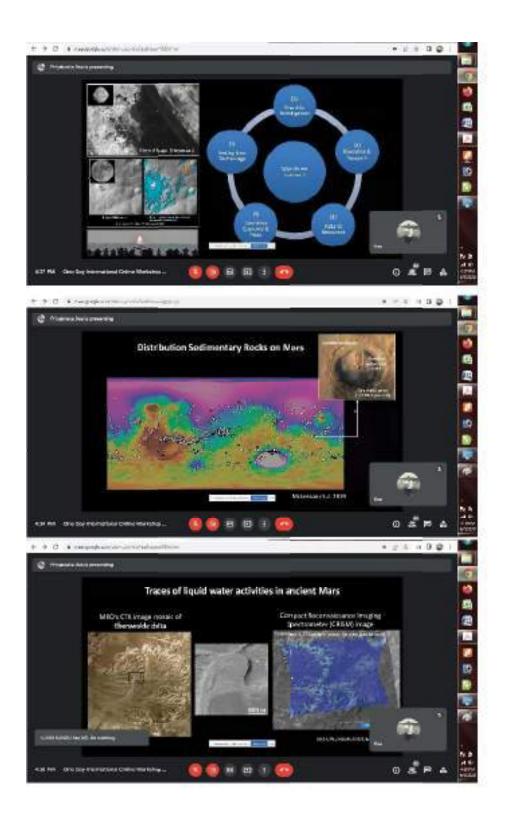

• The second lecture was delivered by **Dr. Ranjan Sarkar** on Geology of planetary bodies: *"An overview of orbital exploration"*. Dr. Sarkar discussed on orbital remote sensing techniques, geomorphological application in Photogeology, provided information regarding different GIS softwares, shared images of different celestial bodies and comment on their certain properties.

• The third and final lecture of the workshop was on *"Exploring Mars with Perseverance Rover"* by **Mr. Subham Sarkar.** He discussed on the design and activity of NASA's Mars 2020 Perseverance rover. In addition Mr. Sarkar showed how to extract and utilize the free database available in Analyst's Notebook.

The technical sessions were followed by a feedback session. Geology UG-II student **Ms. Apurba Dey** shared her experience and comment on the international workshop. Finally in the Valedictory Session Geology UG-III student **Ms. Arpita Pandey** conveyed the vote of thanks.

## **Students Feedback:**

Good evening respected OIC Sir, honourable guest speakers- Dr. Priyabrata Das, Dr. Ranjan Sarkar and Mr. Subham Sarkar, all of the teachers in the college, my seniors, classmates and participants from other institutions.

Myself Apurba Dey, student of the 4<sup>th</sup> semester from the Department of Geology.

I would like to share few words regarding my experience of attending the workshop. Being a student of Geology, I was really excited about this workshop organized by our department, as it is a rare opportunity to hear such great scientists live and to get a chance of direct interaction with them. I really enjoyed each and every lecture a lot. The lectures were on different aspects of planetary science, therefore we got a broad idea of the subject. They were easy to understand and at the same time very informative. We got to know many interesting facts related to the field. The interactive sessions will definitely guide us in our future studies.

Lastly, I would like to express my earnest gratitude and thankfulness to all of the guest speakers.

Thank you Sir to all of you.

Ms. Apurba Dey, student (Geology UG-II)

### Programme objective:

After living through the lockdown during the prolonged pandemic period, yoga is the best thing to adopt as a lifestyle habit. It helps us build a strong physical, mental and spiritual health system. When combined with breathing and meditation, it acts as the best element to take care of our mind, body and soul. With the focus on improving immunity and fighting against COVID-19, yoga plays a significant role in these efforts. Additionally, yoga enhances endurance and muscle strength, making it an excellent form of exercise during these challenging times. In this aspect the main objective of this event was to promote the utility of yoga among the teachers and especially the students, the young stars.

### **Programme Outcome:**

- His extraordinary event brought together yoga enthusiasts, both faculty members and students.
- It successfully promoted the practice of yoga and its benefits, while also emphasizing its global significance
- The event's success can be attributed to the continuation of this good practice in day-to-day lifestyle.
- This celebration event is expected to promote the practice of yoga among the young students as well as the teachers and will inspire more individuals to embrace yoga in their lives.

A one-day Online Workshop on "Revision of Choice Based Credit System (CBCS) syllabi for Undergraduate (Honours) and Undergraduate (Programme) in Geology" was organized by Faculty Council for Undergraduate Studies & Board of Undergraduate Studies (UGBS), Geology Bankura University, Bankura-722155, West Bengal and conducted by Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. on 31<sup>st</sup> July, 2022.

The seminar was inaugurated by Dr. Arindam Chakraborty, Secretary, UGBS, faculty of Science, Bankura University. In his inauguration speech he welcomed all the delegates and dignitaries like Academicians, external members from Industry and other Govt. organisations, Alumni and stakeholders. He appreciated Department of Geology for their co-operation.

Dr. Asesh Kumar Maji, Head, Department of Geology and IQAC coordinator of the college emphasized, in his address, on the relevance of this workshop regarding syllabus moderation. He focused on the prime objective of the workshop, its unique perspectives and expected outcome.

Dr. Nivedita Chakraborty and Ms. Indrani Mondal, Assistant Professor of Geology, KJRGGDC, put their opening remarks of this workshop.

#### **Obectives:**

A workshop aimed at revising Choice Based Credit System (CBCS) syllabi for undergraduate Geology programs could address a range of objectives. These include evaluating the current syllabi to identify strengths and weaknesses, understanding stakeholder needs from faculty, students, industry, and academia, reviewing industry relevance and incorporating emerging trends to ensure students are well-equipped, enhancing practical components for hands-on experience, ensuring diversity and inclusivity, promoting research skills, assessing credit distribution for a balanced curriculum, implementing robust feedback and evaluation mechanisms, outlining clear implementation plans, ensuring compliance with regulatory standards, fostering collaboration among stakeholders, designing student-centric learning experiences, integrating interdisciplinary elements for a holistic understanding of Geology, and thoroughly documenting the revised syllabi including course outlines and assessment criteria. These objectives collectively guide the workshop discussions and activities toward achieving a comprehensive revision of the CBCS syllabi for undergraduate Geology programs.

#### **Process of Seminar:**

Around 33 participants were present in the meeting. Dr. Abdul Matin, Dr. Prabir Dasgupta, eminent academicians were present in the meeting. Another recognizable person like Dr. Shatadru Bhattacharya from ISRO, Mr. Sandip Mahato from CIL, Dr. Arindom Roy from GSI were present in the meeting and gave their valuable comment regarding the syllabus moderation. Some of our ex-students Mr. Rupan Roy, Mr. Subrata Laha also joined the meeting and the suggested some points for the betterment of the moderation. Presents students from different semester also commented on the syllabus moderation and point out the flaws in old syllabus. They also suggest some addition in the upcoming syllabus in favour of competitive exams.

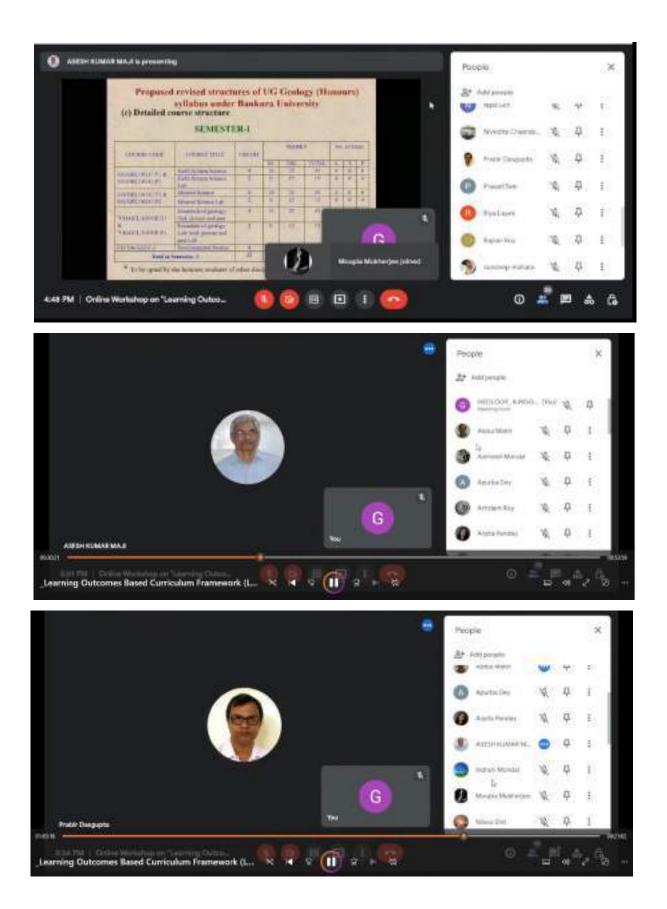

#### **Programme Outcome:**

The program outcomes for revising CBCS syllabi in undergraduate Geology programs, including both Honours and Programme, focus on aligning the curriculum with industry standards, integrating interdisciplinary perspectives, enhancing practical skills, promoting diversity and inclusivity, fostering research-oriented thinking, empowering student-centered learning, and ensuring continuous improvement through stakeholder feedback. Ultimately, the aim is to equip graduates with the relevant knowledge, skills, and mindset needed to succeed in the field of Geology and make meaningful contributions to society.

### A Brief Report

An Awareness Camp on various Competitive Examinations and A one-day Career Guidance Workshop was organized by the Student Welfare Committee of Kabi Jagadram Roy Government General Degree College on 3<sup>rd</sup> August, 2022 at 12.30PM. The event was conducted by the ICA Edu Skills Pvt. Ltd (partner of NSDC). The programme was coordinated by Sri Debraj Das, Jt, Convener of Student Welfare Committee and Assistant Prof. of Economics. Thirty six (36) students along with fifteen teachers were gathered at Room No. 301 to be a part of this career guidance programme.

#### **Objective:**

- Providing students with valuable insights into various career paths and empowering them to make conversant decisions about their futures.
- Assisting them in setting realistic career goals based on their interests and skills, while also informing about different educational pathways and their benefits.
- Guiding the students regarding preparations for different competitive examinations.
- Providing insights into workplace cultures, introduce basic financial concepts related to career choices, and offer access to career planning tools and support services.
- Overall support and guidance for facing a job interview.

### **Outcome:**

- During the one-day career guidance session students listened attentively, interact spontaneously to the resource persons.
- We expect them to gain self-awareness as well as confidence regarding their career decisions, to explore diverse career paths (conventional and non-conventional), to set realistic goals for them, to understand suitable education options, acquire job search and soft skills.
- We believe gradually they'll be able to develop basic financial literacy and gain access to career planning resources. Follow-up support ensures continued career exploration and goal pursuit beyond the session.

A one-day Webinar on "Syllabus Revision" was organized by Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. on 23<sup>rd</sup> August, 2022.

The seminar was inaugurated by Dr.Aesh Kumar Maji, UGBS Convenor, Bankura University and HOD, Department of Geology, KJRGGDC. In his inauguration speech he welcomed all the delegates and dignitaries.

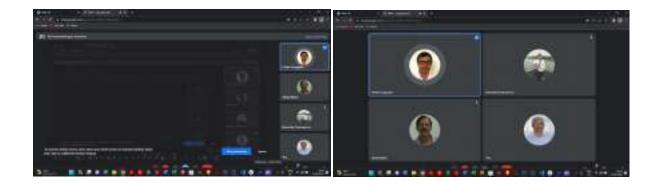

Dr. Nivedita Chakraborty and Ms. Indrani Mondal, Assistant Professor of Geology, KJRGGDC, put their opening remarks of this webinar.

#### **Objectives:**

Last month on 31.07.2022, an online workshop was held regarding this Syllabus moderation with various external experts, academicians, alumni and other stakeholders. After incorporation of their valuable comments in the syllabus, this webinar conducted to finalise the draft of the proposed syllabus.

#### **Outcome:**

Around 06 participants were present in the meeting. Eminent academicianslike Dr. Abdul Matin, Dr. Prabir Dasgupta, were present in the meeting. All the participants gave their valuable opinion regarding the syllabus moderation and the framed the final version of the draft syllabus.

### 19<sup>TH</sup> OCTOBER, 2022; @ 11.30 AM; ROOM NO. 301

To generate alertness among the students on voting, an awareness programme was organized by the Student Welfare Committee on was conducted on 19<sup>TH</sup> OCTOBER, 2022 at 11.30 AM in Room No 301. The event was conducted by the officials of Mejia Block on the said date.

#### **Programme Objective:**

Voting is an integral part of democracy, and it is necessary for people to have a voice. By voting, we can create change and make a difference in our community. Systematic Voters' Education and Electoral Participation (SVEEP) is the flagship program of the Election Commission of India for voter education, spreading voter awareness and promoting voter literacy in India. In this regard the awareness programme was organized to promote awareness among the students on voting to create awareness among the students regarding the importance of the electoral system. Around thirty two (32) participants from different disciplines attended the event.

#### Activities at the awareness camp:

- Power point presentation by the Mejia Block Officials.
- First time voters were guided step by step how to use the Electronic Voting Machine (E.V.M.).
- Encouraging and making the young voters aware of their basic right plus duty.
- of students to avail the loan, outlining the benefits of the scheme.
- Answering queries by the students.

### **Programme Outcome:**

This awareness camp provided a basic guidance as well as detail information regarding voting system and importance of EVM methods. Students enthusiastically participated in the entire programme. Even the first time voters actively participated in the interactive quiz session.

### West Bengal Student Credit Card Scheme (WBSCCS)

Conducted by Mejia Block & Organized by Student Welfare Committee

Date: November 10<sup>th</sup>, 2022

Time: 11.00 AM

Venue: Room No. 301

As directed by the Department of Higher Education, Government of West Bengal and as per instructions given via Officer-in-Charge an awareness camp on **West Bengal Student Credit Card Scheme held on** 10.11.2022 at 11AM in Room No. 301. The event was organized by Student Welfare Committee of this college, conducted by Mejia Block Office and coordinated by Dr. Avisek Sen, Nodal Officer, Student Credit Card and Assistant Professor of Commerce.

#### **Programme Objective:**

In June 2021, the Higher Education Department of the West Bengal government introduced the student credit card scheme to assiststudents in pursuing higher education without facing financial obstacles. This scheme, similar to other educational initiatives by thestate government, aims to empower deserving, underprivileged students by granting them access to quality education. As per the directions/guidelines of higher education department this awareness camp was organized to endorse the features and benefit of WBSCCS among the students. Target audience was the students of all disciplines. Around twenty five (25) participants from different disciplines attended the event.

#### Activities at the awareness camp:

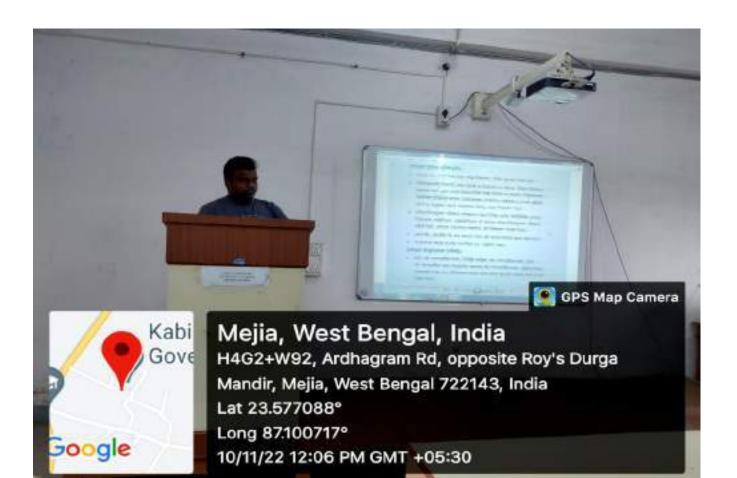

- Power point presentation on WBSCCS by the Mejia Block Officials.
- Encouragement of students to avail the loan, outlining the benefits of the scheme.
- Display of IEC material: banners in the seminar room.
- Information regarding the Duare Sarkar Camps and the benefits of applying through such camps.
- Introduction to the Nodal Officers and Help Desk.
- Answering queries by the students.

### **Programme Outcome:**

This awareness camp provided an overall idea on the WBSCCS to the students. They became aware of the advantages of this scheme and the Duare Sarkar Camps.

# <u>A Brief Report</u>

#### About the programme:

Celebrating the Students's Week throughout the first week of January, 2023 a Gender Sensitization programme was organized jointly by the Internal Complaints Committee [I.C.C.] and the Gender Sensitization Committee of Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143, W.B. on 4<sup>th</sup> January, 2023 at 11.30 AM in Room No. 301 of this college.

#### **Programme Objective:**

This awareness programme was organized to promote general awareness among the students regarding gender equality, equity and related matters and free interaction with them. It was part of the regular awareness campaign conducted by the concerned committees for the sake of students. Dr. Siba Prasad Chaudhury (Convener, Gender Sensitization Committee); Dr. Indrani Hazra, Dr. Nivedita Chakraborty, Ms. Sutista Ghosh, Sri Samim Rahaman Molla (faculty representative, Internal Complains Committee) shared their views and opinions regarding gender sensitization. An interactive session was followed by the discussions to encourage the students for exchange of views.

#### **Participation:**

Students from all the departments actively participated in this programme. They submitted posters, drawings and write-ups on gender related different topics: gender equality, women empowerment, sexual harassment among others. In total thirty one (31) participants attended the event.

## "Clay minerals and their applications in Earth Sciences"

Organized by, *Department of Geology* Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B., India

#### Date: March 14, 2023 (Tuesday); Time: 2.30PM Venue: Room No. 301

#### <u>A Report</u>

A one-day Seminar on "*Clay minerals and their applications in Earth Sciences*" was organized by the Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. on 14<sup>th</sup> March, 2023 (Tuesday) at 2.30PM at Room No. 301.

The Seminar was initiated by the welcome address of **Dr. Nivedita Chakraborty**, Convener of the event, Department of Geology. In her address Dr. **Chakraborty** introduced the audience with the resource person **Dr. Tathagata Roy Choudhury**, National Post-Doctoral Fellow, Jadavpur University, Kolkata. She focused on the significance of the seminar topic and its relevance to the undergraduate geology students. Dr. Asesh Kumar Maji, IQAC coordinator appreciated the initiative of organizing seminar on such applied topic aimed to enhance students' knowledge beyond the syllabus and to boost their future prospectives in the field of research or industry based job. The Chief Patron of this seminar, Prof. Aloke Kumar Das, Officer-in-Charge, KJRGGDC shared his personal opinion regarding this educational initiative, welcomed the delegates and participants, and encouraged the students to learn something new to them. Twenty (20) participants, mostly students from current batches and few ex-students of this department, attended the lecture.

#### Seminar Objective:

Among the world's most important and useful industrial minerals, clay minerals are of great significance. Clay minerals are the most common product of chemical weathering and, thus, are the main constituent of fine-grained sediments and rocks (mud rocks, shales, clay stones, clayey siltstones, clayey oozes, and argillites). They are an important constituent of soils, lake, estuarine, delta, and the ocean sediments that

Normalite Scorewood of .

cover most of the Earth's surface. They are used in a number of geological applications such as stratigraphic correlations, indicators of environments of deposition and temperature for generation of hydrocarbons.

Keeping in mind the target audience of the workshop, i.e, the undergraduate geology students, this seminar was designed as an introduction to the subject and covers the relevant aspects of this application oriented advance topic.

The following topics were covered:

- Clay minerals: Definition and scope of study
- Clay minerals: Basic structure and chemistry
- Clay mineral formation: sedimentological perspective
- Clay mineral formation: Geological significance
- Clay mineral identification: modern analytical techniques
- Application of clay mineral studies in modern geoscience research

The main objective of this seminar was to introduce the audience with this potential and application oriented topic in an easy method. This interesting and advance topic was chosen to bridge the gap between regular syllabus based learning and applied carrier field in earth science.

The technical session of the seminar was coordinated by Dr. Nivedita Chakraborty, convener of this event. In the valedictory session **Dr. Asesh Kumar Maji** conveyed the vote of thanks. He expressed his sincere gratitude to the resource person **Dr. Tathagata Roy Choudhury** for his highly informative lecture and meaningful discussion. He shared thankfulness the participants, inside and outside the college.

#### **Seminar Outcome:**

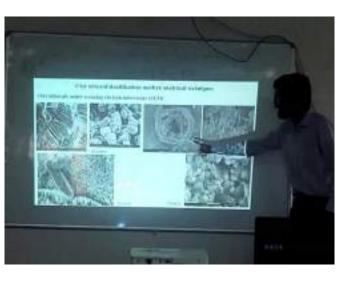

This presentation was structured to introduce the students to the scope of industry and research related to clay minerals. The audience got an opportunity to familiarize themselves with the geological processes resulting in clay mineral formation and the relevance of different clay minerals in modern earth science research as well as their applications in the petroleum and mining industry.

Mondite Barnardy .

## Student's Feedback:

- Students were satisfied. They expressed their thankfulness for arranging seminar on such career prospective topic which is hard to cover within the curriculum based syllabus.
- Students felt free to interact with the resource person, a young researcher and specialist in this particular field.

A one-day Programme on "Career guidance for students in National Examination: An interactive session" was organized with the aim of providing students with valuable insights into various career paths and empowering them to make informed decisions about their futures. Organized by the Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. on March 13, 2023 (Monday) at 03.30PM, the program brought together students from diverse backgrounds to engage in these interactive sessions. The Session was initiated by the welcome address of Dr. Asesh K Maji, Associate Professor, IQAC Co-ordinator and HOD, Department of Geology. In his address Dr. Maji emphasized on the relevance of the seminar and the need of conducting such seminars. He welcomed again all the dignitaries: the Officer-in Charge of KJRGGDC Prof. Aloke Kumar Das; the Resource Person Prof. Subir Sarkar, Professor, Jadavpur University; faculty members of Dept. of Geology and other departments, students and the non-teachings faculties.

The Workshop was inaugurated by Chief Patron Prof. Aloke Kumar Das, Officer-in- Charge, KJRGGDC. In his inauguration speech he thoughtfully addressed his concern regarding this educational initiative, welcomed all the delegates and participants, expressed his cooperative gesture towards the organizing committee and encouraged the students for their active participations.

Prof. Sarkar focused attention on different aspects covering of career planning and development like skill enhancement, personality development. He also highlighted on how to face the interview, what should be the body language, how to behave in front of the interviewer, how to handle the questions which is unknown to you, how to deal with the nervousness before interview.

#### **Participation:**

This seminar was organized for especially for the students. Apart from the students of the Department of Geology, students from Department of English, Mathematics and Physics, KJRGGDC and Geology students of the Shahid Matangini Hazra Government General Degree College for Women also participated. Around 30 participants, mostly students from current batches and few ex-students of this department, attended the workshop.

#### **Seminar Objective:**

Empower students by guiding them through self-exploration to understand their interests, strengths, and weaknesses, followed by an introduction to various career options, industries, and necessary skills. Assist in setting realistic career goals based on their interests and skills, while also informing about different educational pathways and their benefits. Teach essential job search skills such as resume writing and networking, and guide in developing crucial soft skills through interactive activities. Provide insights into different career paths and workplace cultures, introduce basic financial concepts related to career choices, and offer access to career planning tools and support services. Lastly, ensure ongoing guidance and resources for continued career exploration through follow-up support and Overall support to facing an interview.

#### **Seminar Outcome:**

During a one-day career guidance session, students will gain self-awareness to inform their career decisions, explore diverse career paths and industries, set realistic goals, understand education options, acquire job search and soft skills, and gain insights from industry professionals. They'll also develop basic financial literacy and gain access to career planning resources. Follow-up support ensures continued career exploration and goal pursuit beyond the session.

## "STUDY OF MODERN SEDIMENTS IN DAMODAR RIVER BASIN" Organized by, Department of Geology Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B., India

#### Date: March 13, 2023 (Monday); Time: 11.00AM

A one-day Workshop on "STUDY OF MODERN SEDIMENTS IN DAMODAR RIVER BASIN" was organized by the Department of Geology, Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B. on March 13, 2023 (Monday) at 11.00AM. The Seminar was initiated by the welcome address of Nivedita Chakraborty, Assistant Professor, Department of Geology. In his address Dr. Chakraborty emphasized on the relevance of the seminar and the need of conducting such seminars. She welcomed all the dignitaries: the Officer-in Charge of KJRGGDC Prof. Aloke Kumar Das; the Resource Person Prof. Subir Sarkar, Professor, Jadavpur University; Dr. Asesh K Maji, Associate Professor, IQAC Co-ordinator and HOD, Department of Geology; faculty members of Dept. of Geology and other departments, students and the non-teachings faculties.

The Workshop was inaugurated by Chief Patron Prof. Aloke Kumar Das, Officer-in- Charge, KJRGGDC. In his inauguration speech he thoughtfully addressed his concern regarding this educational initiative, welcomed all the delegates and participants, expressed his cooperative gesture towards the organizing committee and encouraged the students for their active participations.

After the introduction Prof. Sarkar started the classroom session where he enlightens the preliminary ideas about the modern sediments and then we all move towards the field session. Field work was done around the bank and bar of the Damodar river.

#### **Participation:**

This seminar was organized for especially for the students. Apart from the students of the Department of Geology,KJRGGDC, students of the Shahid Matangini Hazra Government General Degree College for Women also participated. Around 20 participants, mostly students from current batches and few ex-students ofthis department, attended the workshop.

#### **Seminar Objective:**

Understanding how sediments move in the river system helps predict erosion patterns, crucial for infrastructure, agriculture, and ecosystems. Analysing sediment composition and structures aids in reconstructing the basin's historical landscape evolution and past environmental conditions. Identifying sediment sources and pathways informs land use planning, soil conservation, and erosion mitigation. Sediment analysis reflects pollution levels, aiding in managing and restoring aquatic habitats.Comparing modern sediment characteristics with geological records helps infer past environmental changes. Sediment dynamics affect river flow, flood behaviour, and water resource management.Insights from sediment studies inform policies for balancing development with environmental conservation, promoting resilience to change. In summary, studying modern sediments in the Damodar River Basin informs decision-making and management of natural resources, considering the complex interactions between geomorphology, environment, and human activities.Keeping this in view, Department of Geology, Kabi Jagadram Roy Government General Degree College took the initiative of organizing a one-day workshop on "STUDY OF MODERN SEDIMENTS IN DAMODAR RIVER BASIN" so that undergraduate students of this department get a chance to learn this specialized yet topical subject in connection with their Sedimentology core paper under CBCS curriculum.

#### **Seminar Outcome:**

With a spontaneous response from students, the seminar was a memorable educational event. The event aided the participants to learn about an interesting and essential topic with high academic relevance and research potential from an expert in this particular field. Participantswere academically enriched through the free interaction with the resource person. They also got chance with a hand on training to identify the primary sedimentary structures in field and also understand the mechanism practically under the guidance of the Resource person during field session.

## Student's Feedback:

- Geology students were highly satisfied as for the first time such field cum workshop had been arranged specially for them.
- They were happy to friendly interact with the resource person Prof. Subir Sarkar who is a distinguished academician and nationally acclaimed sedimentologist.
- Field investigation and on spot lucid discussion helped them to understand the different phenomenon.

### Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B., India Semínar on Value education

<u>A Brief Report</u> Organized by, Student Welfare Committee

Date: 27<sup>th</sup> March, 2023 Time: 11.00 AM Venue: ROOM NO. 207

Value education sessions are based on the understanding that our life actions are dictated by our value systems and principles. When the younger generation gets a proper value education, they learn to question, to understand and to ultimately decide for themselves, their values, attitudes and customs. Through proper value education sessions, students are motivated to preserve the best and worthwhile aspects of our culture. Students are equipped to question, to explore and to understand values, attitudes and beliefs.

Kabi Jagadram Roy Government General Degree College sincerely acknowledges importance of value education. Student Welfare Committee of this college organized a seminar on value education to discuss "*Life and philosophy of Swami Vivekananda*". Resource person of this significant event was Sri Jiban Bandopadhyay, distinguished researcher, Narendrapur Ramkrishna Mission. The event was conducted on 27<sup>TH</sup> March, 2023 at 11.00 AM in Room No 207. The session was coordinated by Dr. Kalyan Mukhopadhyay, convener, Student Welfare Committee and Assistant Professor of Bengali. Around thirty five students were present in the seminar.

### Prime objective of Value Added Learning:

- To clarify values and analyze problems.
- To enable students to evolve a positive outlook to life.
- To enable students to understand others, to show concern, thus making the world a better place.
- To provoke students to think critically.
- To master self and social awareness.
- To enable students to achieve a humanistic attitude.
- To make students understand the relevance of ethics.
- To inculcate moral values.
- To promote integrated development of human personality.
- To help students attain full development of their personality by attaining full growth in the physical, intellectual, emotional, moral, spiritual and social spheres.
- To take care of mental health of the students; to broaden the outlook of the students so that they learn to understand and accommodate people adhering to different value systems.

Indrani Horra

### A BRIEF REPORT ON A PROGRAMME ON GENDER SENSITIZATION

A One-Day Workshop

on

"আন্তর্জাতিক শ্রমজীবী নারী দিবসের ইতিহাস ও আজকের লিঙ্গ সাম্যের লড়াই"

(History of International Laborer Women's Day and today's fight on Gender Equality) Conducted by,

শ্রমজীবী নারী মঞ্চ

(Shramajibi Nari Mancha) Jointly organized by,

The Internal Complaints Committee [I.C.C.] & the Gender Sensitization Committee Kabi Jagadram Roy Government General Degree College Mejia, Bankura-722143, W.B., India March 29, 2023 (Wednesday), 11.30 AM

#### About the programme:

Gender equality is a fundamental human right and a prerequisite for building a peaceful, prosperous and sustainable society. The UN Sustainable Development Goal (SDG) 5 underscores the need to achieve gender equality and empower all women and girls, and this Goal is integral to the achievement of all the other SDGs. To further the attainment of the SDGs and Goal 5, it is imperative that institutions and individuals step up to address issues of gender based violence and discrimination on priority in various ways. Conducting gender sensitization programmes is thus an important step in this regard to fight against gender discrimination and to promote gender sensitive spaces.

Celebrating the International Women's Day, 2023 the Internal Complaints Committee [I.C.C.] and the Gender Sensitization Committee of Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143, W.B. jointly organized a programme on Gender Sensitisation on 29<sup>th</sup> March, 2023 at 11.30 in the Gallery-1 of their college. On the eve of this auspicious occasion a one-day Workshop was conducted by শ্রমজীবী নারী মঞ্চ (Shramajibi Nari Mancha) on "আন্তর্জাতিক শ্রমজীবী নারী দিবসের ইতিহাস ও আজকের লিঙ্গ সাম্যের লড়াই" (History of International Laborer Women's Day and today's fight on Gender Equality).

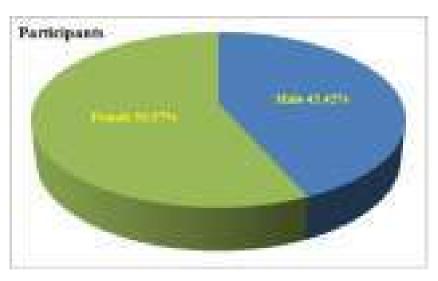

In line with the University Grants Commission's (UGC) guidelines for creating safe campuses for women students and employees, this workshop was organized to promote the cause of gender equality in general and also to have conversations to enable gender sensitive spaces in all spheres. The workshop highlighted the importance of dismantling gender stereotypes starting with our individual behaviors, and underscores the various ways in which protective and redressal mechanisms at the institutional level can be accessed in times of distress.

### **Participation:**

Spontaneous response was received from students of all the departments, teaching and non-teaching faculties of the college. In total seventy six (76) participants attended the workshop.

### Workshop Objective:

This workshop has been designed to get an in-depth understanding of what gender sensitization is, and the basic need for building awareness around gender equality and equity especially among the youth through the discussion on some of our key social judgments on these. The workshop aimed to reevaluate our perceptions and deconstruct gender stereotypes to pave the way towards a gender sensitive environment.

### **Process of Programme:**

The programme was inaugurated by respected Officer-in-Charge, KJRGGDC **Prof. Aloke Kumar Das** by lightening the lamp. In his inauguration speech he welcomed all the delegates and dignitaries: Dr. Nandini Jana, Presiding Officer of ICC, KJRGGDC and Associate Professor of History, Durgapur Government College; N.G.O. Member, ICC, Mrs. Sharmila Banerjee, Secretary, *Prattyay*, Asansol; the resource persons- Dr. Debashree Chakraborty, Ms. Rimi Chakraborty and Ms. Gargi Banerjee; Dr. Saubhik Bandyopadhyay, Associate Professor of History, Durgapur Government College, the teaching, non-teaching and student representatives of the Internal Complaints Committee [I.C.C.], members of the Gender Sensitization Committee; the students and all other participants. He appreciated the organizing committee members for this significant initiative and encouraged all the participants especially the students.

The programme was hosted by **Dr. Indrani Hazra**, faculty representative, ICC and Assistant Professor of Bengali, KJRGGDC. She put the opening remarks of the workshop in a reasonable approach.

**Dr. Sutista Ghosh**, member, Gender Sensitization Committee and Assistant Professor of English, KJRGGDC emphasized, in her address the relevance of the workshop. She talked on the history of the women's revolution and journey of feminism. She also discussed on gender equality and equity in a very lucid way.

**Mrs. Sharmila Banerjee,** N.G.O. Member, ICC shared her personal work experiences in grass root level both outside and inside a family. She appreciated such initiative as it makes an open platform for students to share their opinions and thoughts regarding gender sensitization. She also assured financial assistance to the needy students for educational purposes (purchase of books) from her NGO.

Dr. Nandini Jana, Presiding Officer of ICC, KJRGGDC introduced all the resource persons to the audiences: a) Dr. Debashree Chakraborty, researcher in Department of Economics, Jadavpur University and an activist; b) Ms. Rimi Chakraborty, teacher at Narayana School, Kolkata and an activist of Women's right and c) Ms. Gargi Banerjee, ex teacher at Vidyanjali International, presently working as an fulltime activist. Prof. Jana briefed the different activities and curriculum of the organization *Shramajibi Nari Mancha* (य्रमजीवी बार्झी मञ्च). She focused on the prime objective of the workshop, its unique perspectives and expected outcome before inviting the resource persons to conduct the workshop.

The technical session of the workshop was initiated by **Ms. Gargi Banerjee**. She started her presentation by listing the session's objectives. In her presentation she narrated the story of women empowerment since eighteenth century though their history of struggle for basic demands in workplace. She showed some rare picture of women's movements in different continents. She talked in a very simple manner to connect with the audience.

The session was continued by the next speaker **Dr. Debashree Chakraborty**. She emphasized on the stereotype concepts of our society, strict regulations mandatorily imposed on women and men. She briefly explained the purpose and significance of gender sensitization before leading an activity to help us become aware of the many gender preconceptions we hold in our thoughts. The speaker advanced the conversation by describing gender equality and how gender sensitization is necessary for everyone, not just one particular gender. She continued by outlining how we are required to act, speak, dress, groom, and even conduct ourselves depending on the gender to which we have been allocated in India. Her speech moved the audience and they were connected through continuous interaction on different issues of gender equality in our daily life.

**Ms. Rimi Chakraborty** mesmerized the audience through her open voice and thoughts. She sang the memorable "March of the Women" and made the audience to chant. She focused on the so called do and don't list. She emphasized how stereotyped ideas still remain in our society while outlining the ramifications and benefits of gender equality. She gave us a reality check on how we behave in specific ways that are considered apparent truths and thus are practiced unconsciously. Ms. Chakraborty discussed the connection between masculinity and gender sensitivity as well as the persistence and need for the eradication of gender-based violence. She summarized the session in oath of gender sensitive spaces for all. Students liked her way of approach towards them.

The presentation was continued by an interactive session where students asked questions regarding Gender Sensitization. The technical sessions were followed by a feedback session. Students were spontaneously interacted with the resource persons during this time. **Dr. Saubhik Bandyopadhyay**, Associate Professor of History, Durgapur Government College addressed his views towards gender sensitization through some simple and rational examples. He congratulated organizing members for conducting a meaningful workshop for students. The session was concluded by **Dr. Indrani Hazra**, ICC faculty representative by sharing her views on the topic. Finally in the Valedictory Session ICC faculty representative and Assistant Professor of History **Samim Rahaman Molla**, conveyed the vote of thanks to the audience.

### Workshop Outcome:

- Students freely interact with the resource persons. They gathered their courage to share their personal experiences of difficulties inside and outside home since their childhood.
- Some teaching faculties also shared their personal views and opinions in front of audience during the interactive session.
- Students confessed they were to some extent unaware about the stereotype thoughts of themselves and the society regarding gender equality and they want to step forward first individually and then collectively.
- Students cumulatively acknowledged and congratulated the organizing committees for arranging the workshop and appealed for such more awareness programme on various gender issues in future.

1.	Sumana Bhandary, Roll No: 2014008 English (H), Sem-6	Firstly, I thank all the professors of our college for gifting us such a nice programme on the occasion of the celebration of International Women's Day, 2023. This programme not only gave us ideas about women empowerment but rather more intensely enlightened us about the social prejudices against women and repressive societal strategies tactfully curbing women's freedom and rights. This workshop, I believe, had immensely impacted all the students of our college. Even a few days ago, I sincerely believed and followed the social restrictions imposed upon the women and the societal constructions about the hierarchical differences between the men and the women. However, this programme had been an eye-opener for me. It had enlightened me about the "constructed" nature of gender which, in many ways, is responsible for the prevalent gender discrimination towards the women in a patriarchal social set up. This programme had made me believe that all of us have to come forward to deconstruct the unjust and falsified social constructs about gender so as to unveil the truth and cater to justice towards the women. For this we need courage and inspiration that we can derive from such programmes. We, therefore, want more such programmes like this for the truth to prevail.
2.	Sunanda Choudhury, Roll No: 2035131 Geology (H), Sem-6	A lot of thanks to our Respected professors, the Chief Guest of ICC and Gender Sensitization Committee for organizing such a wonderful workshop. It was really helpful for us. We got to know the brief history about women welfare, and on this platform, we got the chance to share the various problems faced by women in this society. Our thoughts for providing better rights to women were also being beautifully described in this Workshop.
3.	Pratima Mahanta, Roll No: 2014099 English (H), Sem-6	We have been thoroughly enriched by the programme (workshop) organised by ICC and GSC of our college to celebrate International Women's Day, 2023. We came to learn a lot not merely about the position of the women in our society but also about the hitherto unknown aspects that needto be focused to so as to ensure the women's rights in the society. We consider ourselves truly fortunate to have been given a chance to listen to the valuable lectures by the resource persons. We want our college to conduct more such programmes in the days to come. I cordially thank the Principal Sir and all the professors of our college for organising this programme.
4.	Susmita Bhattacharjee, Roll No: 2014130 English (H), Sem-6	The programme conducted by the ICC and GSC of our college on the occasion of International Women's Day Celebration, 2023 had inspired us immensely. We came to know a great deal about the women's rights in the programme. I whole-heartedly thank our Principal Sir and all the professors of our college for organising such a thought-provoking programme. We hope to experience more such programmes/workshops like this in future.
5.	Sunanda Chakraborty, Roll No: 2014080 English (H), Sem-6	The three-hour long programme conducted by the ICC and GSC of KJRGGDC, Mejia to celebrate the International Women's Day, 2023 had inspired us a lot and enlightened us about the women's rights. This

		workshop had encouraged us to unhesitatingly and bravely express the problems confronted by us in our daily life. This workshop had made us realise why even in 2023 the women fail to get their rights in the society. I thank our Principal Sir and all the professors of our college as well as the eminent resource persons of the programme who are relentlessly and actively working on the issues of women's rights on the ground level. We hope to attend more such programmes which will inspire and strengthen us to move forward overcoming all the obstacles.
6.	Nilkanta Mondal, Roll No. – 2014009 English (H), Sem-6	I'm thankful to ICC and other concerned parties for arranging the workshop (on 29. 03. 2023) as it not only allowed me to recognize the prevailing gender inequalities and stereotypes, but it also helped me to form a rational mind-set and speak against gender discrimination.
7.	Aparna Gorai, Roll No: 2214054 English (H), Sem-2	I have thoroughly enjoyed the programme organised by ICC and GSC of our college for celebrating International Women's Day, 2023. We could learn a lot from this workshop. If the college organises more such programmes, we would be able to learn more. Hope such programmes would take place regularly.
8.	Nilima Maji, Roll No: 2214038 English (H), Sem-2	The workshop organised by ICC and GSC had been an amazing experience for me. I could come to know a lot of concepts which were then unknown to me. Hope such programmes will be organised again and again in our college.
9.	MoumitaGhosh Roll No: 2214095 English (H), Sem-2	I have been deeply inspired by the programme held in our college with the collaborative efforts of ICC and GSC to celebrate International Women's Day, 2023. The workshop had been an enriching experience for me. I have whole-heartedly enjoyed it. I wish that more such workshops are conducted in our college to enhance our knowledge and understanding further.

### <u>A brief report</u>

A two-day National Workshop on **"Functional Traits, Ecology and Phylogeny"** was organized by the Department of Geology, Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143 on April 22-23, 2022 (Saturday & Sunday) at 3.30PM on virtual mode.

The Seminar was initiated by the welcome address of **Dr. Asesh Kumar Maji**, IQAC coordinator and Head, Department of Geology. In his address Dr. Maji emphasized on the need of conducting such workshop, based on field related data and information, after the prolonged gap of geological field work due to Covid Pandemic. He welcomed all the dignitaries: the Officer-in Charge of KJRGGDC **Prof. Aloke Kumar Das**; the resource person – **Ms. Sreetama Aich**, Prime Minister Research Fellow (PMRF), Department of Earth Sciences, IIT Bombay; faculty members of Dept. of Geology and other departments, students and the non-teachings faculties.

The workshop was inaugurated by Sri Aloke Kumar Das, Officer-in-Charge. In his speech he solicitously addressed his views regarding such academic initiative, welcomed all the delegates and participants, expressed his cooperative gesture towards the organizing committee and encouraged the students for their active participations. However, he also mentioned offline mode is always more useful.

Opening remarks of the workshop was delivered by **Dr. Nivedita Chakraborty**, organizing secretary of the event. She focused on the goal and different perspectives of the workshops and possible outcome of this event.

Hinder Survey .

**Organizing Secretary** 

### **Participation:**

This seminar was organized for especially for the students/scholars of Geology background. Twenty participants, including students from current batch, some ex students of this department and other institution (faculty/professional) attended the workshops.

### **Objective and process of programme:**

Ichnological studies have been complementing sedimentological analyses in the exploration and production of hydrocarbons for some decades. Ichnofabric analysis has proven to be an invaluable tool in core description and the interpretation of depositional environments. Together with sedimentary, diagenetic and structural features, ichnological heterogeneities may have a positive or negative impact on reservoir quality and connectivity, depending on the kind of involved burrows. Utility of ichnology also stands in sequence stratigraphy.

Keeping in mind the target audience of the workshop, i.e, the undergraduate geology students, this workshop was designed as an introduction to the subject and covers major and relevant aspects of ichnology. It was delivered by a mixture of lectures, demonstrations and practical exercises.

The following topics were covered:

- Ichnological basics, principles and concepts
- Applications of ichnological studies
- Characteristics of trace fossils
- Recognition of key ichnotaxa in core
- Interpretation of palaeoenvironments

After an introduction to the subject and an overview of major fields of applications, the ichnofacies concept and the ichnofabric analysis had been outlined. A principle focus of the workshop was to recognize the most important and recurrent ichnotaxa in rock record. Integrated ichnological-sedimentological analysis leads to the interpretation of palaeoenvironmental conditions, including oxygenation, salinity, nutrition and sedimentary energy level.

Mondite Summersty .

**Organizing Secretary** 

Organizing secretaries of the workshop were Dr. Nivedita Chakraborty and Ms. Indrani Mondal. The technical session on the first day of workshop i.e 22<sup>nd</sup> April was coordinated by Dr. Chakraborty while on 23<sup>rd</sup> April Ms. Indrani Mondal conducted the workshop.

In the valedictory session **Dr. Asesh Kumar Maji** conveyed the vote of thanks. He expressed his sincere gratitude to the resource person **Ms. Sreetama Aich** for her lucid lectures and friendly discussion. He shared thankfulness to his departmental colleagues **Dr. Nivedita Chakraborty and Ms. Indrani Mondal** for organizing the event and all other participants, especially the students for their spontaneous response and support.

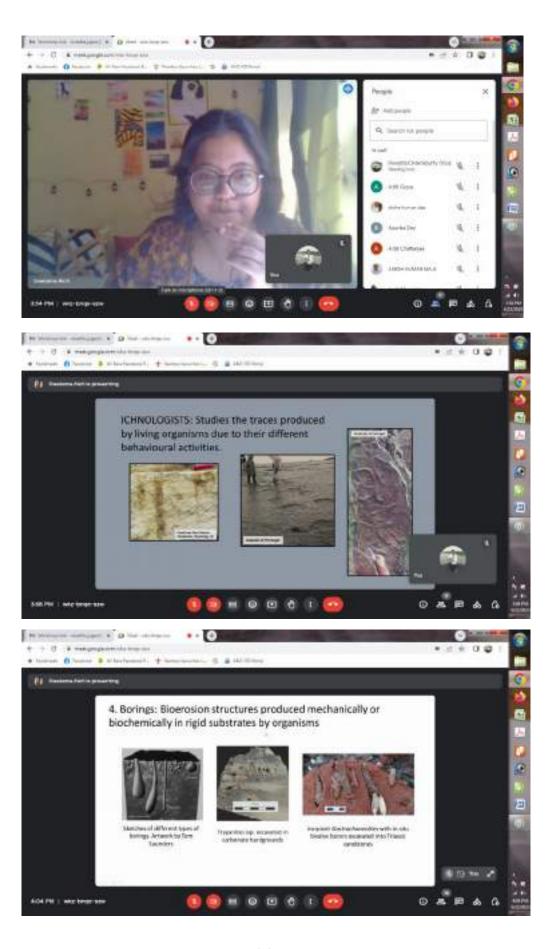

### Outcome of the workshop:

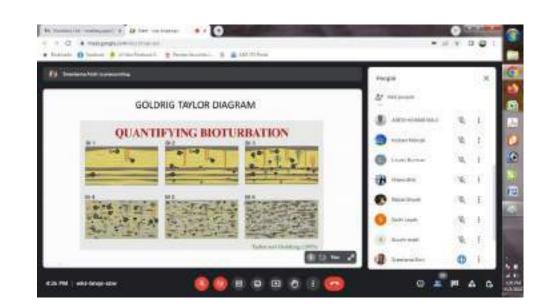

With a spontaneous response from students, the workshop was a memorable educational event. The practicum aided the participants to learn about an interesting topic with high academic relevance, research potential and industrial applications from an expert in this particular field. Participants had a chance to know this particular topic from grass root level to beyond their academic curriculum. They were academically enriched through the free interaction with the resource person who is herself a researcher in this field.

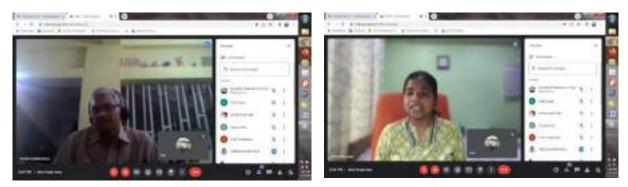

### Student's Feedback:

- After a long gap of geological field work due to COVID Pandemic students were very happy to glimpse field photographs and field related information. They addressed this workshop as an academic treat.
- Students had a free interaction with the resource person, a young scientist and researcher.
