About the programme:

Gender equality is a fundamental human right and a prerequisite for building a peaceful, prosperous and sustainable society. The UN Sustainable Development Goal (SDG) 5 underscores the need to achieve gender equality and empower all women and girls, and this Goal is integral to the achievement of all the other SDGs. To further the attainment of the SDGs and Goal 5, it is imperative that institutions and individuals step up to address issues of gender based violence and discrimination on priority in various ways. Conducting gender sensitization programmes is thus an important step in this regard to fight against gender discrimination and to promote gender sensitive spaces.

Celebrating the International Women’s Day, 2023 the Internal Complaints Committee [I.C.C.] and the Gender Sensitization Committee of Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143, W.B. jointly organized a programme on Gender Sensitisation on 29th March, 2023 at 11.30 in the Gallery-1 of their college. On the eve of this auspicious occasion a one-day Workshop was conducted by শ্রমজীবী নারী মঞ্চ (Shramajibi Nari Mancha) on “আন্তর্জাতিক শ্রমজীবী নারী দিবসের ইতিহাস ও আজকের লিঙ্গ সাম্যের লড়াই” (History of International Laborer Women’s Day and today’s fight on Gender Equality).

In line with the University Grants Commission’s (UGC) guidelines for creating safe campuses for women students and employees, this workshop was organized to promote the cause of gender equality in general and also to have conversations to enable gender sensitive spaces in all spheres. The workshop highlighted the importance of dismantling gender stereotypes starting with our individual behaviors, and underscores the various ways in which protective and redressal mechanisms at the institutional level can be accessed in times of distress.

The technical session of the workshop was initiated by **Ms. Gargi Banerjee**. She started her presentation by listing the session's objectives. In her presentation she narrated the story of women empowerment since eighteenth century though their history of struggle for basic demands in workplace. She showed some rare picture of women's movements in different continents. She talked in a very simple manner to connect with the audience.

The session was continued by the next speaker **Dr. Debashree Chakraborty**. She emphasized on the stereotype concepts of our society, strict regulations mandatorily imposed on women and men. She briefly explained the purpose and significance of gender sensitization before leading an activity to help us become aware of the many gender preconceptions we hold in our thoughts. The speaker advanced the conversation by describing gender equality and how gender sensitization is necessary for everyone, not just one particular gender. She continued by outlining how we are required to act, speak, dress, groom, and even conduct ourselves depending on the gender to which we have been allocated in India. Her speech moved the audience and they were connected through continuous interaction on different issues of gender equality in our daily life.

Ms. Rimi Chakraborty mesmerized the audience through her open voice and thoughts. She sang the memorable "March of the Women" and made the audience to chant. She focused on the so called do and don't list. She emphasized how stereotyped ideas still remain in our society while outlining the ramifications and benefits of gender equality. She gave us a reality check on how we behave in specific ways that are considered apparent truths and thus are practiced unconsciously. Ms. Chakraborty discussed the connection between masculinity and gender sensitivity as well as the persistence and need for the eradication of gender-based violence. She summarized the session in oath of gender sensitive spaces for all. Students liked her way of approach towards them.

Students' Feedback:

Sl. No.	Student Details	Feedback
1.	Sumana Bhandary, Roll No: 2014008 English (H), Sem-6	Firstly, I thank all the professors of our college for gifting us such a nice programme on the occasion of the celebration of International Women's Day, 2023. This programme not only gave us ideas about women empowerment but rather more intensely enlightened us about the social prejudices against women and repressive societal strategies tactfully curbing women's freedom and rights. This workshop, I believe, had immensely impacted all the students of our college. Even a few days ago, I sincerely believed and followed the social restrictions imposed upon the women and the societal constructions about the hierarchical differences between the men and the women. However, this programme had been an eye-opener for me. It had enlightened me about the "constructed" nature of gender which, in many ways, is responsible for the prevalent gender discrimination towards the women in a patriarchal social set up. This programme had made me believe that all of us have to come forward to deconstruct the unjust and falsified social constructs about gender so as to unveil the truth and cater to justice towards the women. For this we need courage and inspiration that we can derive from such programmes. We, therefore, want more such programmes like this for the truth to prevail.
2.	Sunanda Choudhury, Roll No: 2035131 Geology (H), Sem-6	A lot of thanks to our Respected professors, the Chief Guest of ICC and Gender Sensitization Committee for organizing such a wonderful workshop. It was really helpful for us. We got to know the brief history about women welfare, and on this platform, we got the chance to share the various problems faced by women in this society. Our thoughts for providing better rights to women were also being beautifully described in this Workshop.
3.	Pratima Mahanta, Roll No: 2014099 English (H), Sem-6	We have been thoroughly enriched by the programme (workshop) organised by ICC and GSC of our college to celebrate International Women's Day, 2023. We came to learn a lot not merely about the position of the women in our society but also about the hitherto unknown aspects that need to be focused to so as to ensure the women's rights in the society. We consider ourselves truly fortunate to have been given a chance to listen to the valuable lectures by the resource persons. We want our college to conduct more such programmes in the days to come. I cordially thank the Principal Sir and all the professors of our college for organising this programme.
4.	Susmita Bhattacharjee, Roll No: 2014130 English (H), Sem-6	The programme conducted by the ICC and GSC of our college on the occasion of International Women's Day Celebration, 2023 had inspired us immensely. We came to know a great deal about the women's rights in the programme. I whole-heartedly thank our Principal Sir and all the professors of our college for organising such a thought-provoking programme. We hope to experience more such programmes/workshops like this in future.
5.	Sunanda Chakraborty, Roll No: 2014080 English (H), Sem-6	The three-hour long programme conducted by the ICC and GSC of KJRGDC, Mejia to celebrate the International Women's Day, 2023 had inspired us a lot and enlightened us about the women's rights. This

(7)

		workshop had encouraged us to unhesitatingly and bravely express the problems confronted by us in our daily life. This workshop had made us realise why even in 2023 the women fail to get their rights in the society. I thank our Principal Sir and all the professors of our college as well as the eminent resource persons of the programme who are relentlessly and actively working on the issues of women's rights on the ground level. We hope to attend more such programmes which will inspire and strengthen us to move forward overcoming all the obstacles.
6.	Nilkanta Mondal, Roll No. – 2014009 English (H), Sem-6	I'm thankful to ICC and other concerned parties for arranging the workshop (on 29. 03. 2023) as it not only allowed me to recognize the prevailing gender inequalities and stereotypes, but it also helped me to form a rational mind-set and speak against gender discrimination.
7.	Aparna Gorai, Roll No: 2214054 English (H), Sem-2	I have thoroughly enjoyed the programme organised by ICC and GSC of our college for celebrating International Women's Day, 2023. We could learn a lot from this workshop. If the college organises more such programmes, we would be able to learn more. Hope such programmes would take place regularly.
8.	Nilima Maji, Roll No: 2214038 English (H), Sem-2	The workshop organised by ICC and GSC had been an amazing experience for me. I could come to know a lot of concepts which were then unknown to me. Hope such programmes will be organised again and again in our college.
9.	Moumita Ghosh Roll No: 2214095 English (H), Sem-2	I have been deeply inspired by the programme held in our college with the collaborative efforts of ICC and GSC to celebrate International Women's Day, 2023. I Dr. Pinaki Roy along with twelve (12) students of the Dept. of Geology, Durgapur Government College, has visited the Rajarshi Chatterjee Memorial Museum of the Dept. of Geology, Kabi Jagadram Roy General Degree College on Earth Day (22nd April, 2023), celebration on 24th April 2023. I have found the museum is very much attractive for the student's inquisitiveness. They have been educated with the different minerals and especially coal collections. Fossil collections especially from Gondwana sequence of adjoining region. I personally appreciate this endeavour.

About the programme:

Student Welfare Committee of Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143, W.B. organized a Sensitization Campaign on “Health hazard and ill effect of Tobacco” on 11.03.2020. Programme Objective:

“Tobacco consumption is injurious to health”. Studies of World Health Organization (WHO) show that smokers have a higher risk for a severe case of corona virus. WHO calls on all young people to join the fight to become a tobacco-free generation. In line with these guidelines this sensitization campaign was organized to promote awareness on harmful and deadly effects of tobacco consumption and passive smoke exposure, and to discourage the use of tobacco in any form. Also to equip young people with the tools to rebuff devious tactics

Students' Welfare Committee

Date & Time: August 1st, 2019, 12.00hrs

Venue: Room No. 301

Report

In absence of NSS in our college, a one day environmental awareness campaign on Dengue prevention was organized by the Students' Welfare Committee of our college on 01.08.2019 to spread general awareness among the students regarding this epidemic. The programme was conducted by Sri Debraj Das, member of Students' Welfare Committee & Assistant Professor of Economics. He discussed about various stages of growth of Aedes mosquito. He also focused on practical awareness regarding where it can breed; e.g. - in Flower pots, Water coolers, Refrigerators, and Wastages etc. He also explained the symptoms of Dengue Fever, like continuous vomiting, knee pain, stomach pain, head ache, and body pain. The dengue mosquito prefers to bite its prey on the ankles, legs and knees. Treatment measures were also discussed during the awareness session. The awareness campaign disseminated a note of awareness among the forty (40) student participants and endorsed a sensitive health and hygiene related message to the neighborhood with the help of these students. After the awareness session dengue preventive posters, provided by the Primary Health Centre (Mejia Block), were pasted in the different parts of the college building.

Organised by Students’ Welfare Committee (Cultural)
Date: 18.07.2018

The cultural committee of Kabi Jagadram Roy Government General Degree College organized a successful tree plantation programme on 18.07.2018. The event aimed to promote environmental responsibility and contribute to a greener campus. The programme witnessed enthusiastic participation from students and teachers. The Officer-in-Charge, Sri Rajarshi Chatterjee briefly described the importance of tree plantation to the students. Sri Debraj Das, member of Campus Beautification Committee mentioned the types and numbers of saplings to be planted. He also described the students how the selection of saplings was made remembering the suitable soil types and climate. All of the students, teachers and non-teaching staffs planted the saplings carefully after the speeches. Some students and care takers of the college were assigned responsibility for nurturing, watering and monitoring the growth of the saplings. So, the tree plantation programme was a resounding success. The active participation of the college community not only contributed to a greener campus but also fostered a sense of environmental responsibility.
