### GRADING SYSTEM

1. The SGPA is the ratio of sum of the product of the number of credits with the points scored by a student in all the courses taken by a student and the sum of the numbers of credits of all the courses undergone by a student, i.e.

$$SGPA(S_i) = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

Here,  $C_i$  is the number of credits of the  $i^{th}$  course and  $G_i$  is the grade point scored by the student in the course.

2. The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e.

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

Here,  $S_i$  is the SGPA of the  $i^{th}$  semester and  $C_i$  is the total number of credits in that semester of the  $i^{th}$  course.

3. The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
4. Conversion of SGPA / CGPA into Percentage of Marks : Ten (10) times of SGPA / CGPA.
5. Conversion of marks into Letter Grade and Grade Point and Final Result / Grades Description.

% of Marks Obtained	Letter Grade	Grade Point
90 and above	O (Outstanding)	10

1. This Scorecard is being issued to facilitate eligible candidates to apply for admissions for the academic year 2023-2024 ONLY.
2. Candidates interested in admission to various academic programmes at IITs must apply through the JOAPS portal, <https://joaps.iitg.ac.in>.
3. The application form for admission must be submitted ONLINE during the stipulated period with all the necessary documents. Applications that are complete in all respects and submitted within the deadline only will be considered for seat allocation.
4. Applicants will be made offers based on their rank, their preferences, and the number of seats available at the Admitting Institute(s). Applicants must also satisfy the Eligibility Requirements (ERs) and Minimum Educational Qualifications (MEQs) of the programmes(s) set by the Admitting Institutes. The fulfilment of ERs & MEQs is decided by the concerned institute offering the programme. The Admitting Institute has the final right to accept/reject the applicant.
5. Applicants are advised to read the JAM 2023 Admission Brochure available at <https://jam.iitg.ac.in> for latest updates on ERs, MEQs, seat matrix, and other relevant information. Candidates should note that being on the merit list of a test paper neither guarantees nor entitles admission.
6. The authenticity of this Scorecard may be verified with the GATE-JAM office, Indian Institute of Technology Guwahati, Guwahati – 781039, until August 31, 2023. No person or Institute is authorized to use the Scorecard without the explicit prior permission of the Organizing Chair, JAM2023.

**FEEDBACK ANALYSIS REPORT ON ATTAINMENT OF COURSE OUTCOME  
AND PROGRAM OUTCOME FOR THE ACADEMIC YEAR 2022-2023**

The Internal Quality Assurance Cell (IQAC), Kabi Jagadram Roy Government General Degree College, Mejia carried out exercises during April 2023 to assess the attainment of Course Outcomes and Programme Outcomes for the academic year 2022-2023 through analysis of feedback received from students.

❖ **Summary of Comments and Suggestions Received from Students**

English department students suggest appointing more faculty members to run the academic program smoothly. Currently, only one faculty in the Department of English organizes everything single-handedly, which hampers their regular classes. The History department demands field visits and excursions to meet their curriculum. Department of Commerce also demands enhanced computer facilities and books in taxonomoy branches.

❖ **Conclusions Drawn from the Analysis of the Feedback Reports (CO and PO Attainment) by the Students:**

All the students of the departments were asked to give feedback. A total of 224 out of 363 students submitted their feedback honestly. Based on that, a report is prepared.

- ✓ Students are satisfied with the academic course. The college students also motivate freshers to join this college to establish good academic records.
- ✓ Students are pleased with their project work entirely every year.
- ✓ Students are satisfied with the teacher's overall performance, such as completing the academic syllabus, communication skills, teaching delivery, regularity, discipline, and student-teacher relationship.
- ✓ In the teaching-learning experience, students responded positively, especially regarding the punctuality and regularity of the teacher, teaching delivery, and effective communication.
- ✓ Student counseling is maintained well, motivating students to study their courses properly.
- ✓ Although students are satisfied with the academic courses, teachers' guidance, and facilities, some issues raised to improve the quality of the teaching environment by analyzing students feedback:
  - a. Lack of books and reading materials in the central and departmental libraries.
  - b. Students suggest they should be conveyed to career establishment programs after completing the courses.
  - c. Number of home assignments and tutorial tasks should be increased.

- d. Field visits and excursion programs should be increased on a regular basis.
- e. Seminars and workshops should be organized on a regular basis to enrich students.
- f. Increase Internship Program
- g. Equipment and laboratory facilities should be enhanced to ensure the proper knowledge transfer among students.

❖ **Action Taken Report on the attainment of CO and PO:**

The detailed report of analysis of students' feedback for the attainment of PO and CO has been placed in the IQAC meeting dated 26/04/2023. After long and careful discussion, the members of the IQAC unanimously propose the office of the principal to take the following measures:

- IQAC recommends that all Heads of Departments increase the number of tutorial classes and home assignments to help the students acquire problem-solving skills.
- Although books and reading materials are of abundant quality in the library, then also requirements were taken for new books as needed and sent to the library committee through the department head after getting it verified. Also, faculties are asked to suggest books based on the NEP syllabus. The college authority will send a requisition to the Department of Higher Education to purchase the required books as per the demand of the students.
- The college administration has already sent a requisition letter to the Department of Higher Education to recruit new faculty members for the Department of English. Furthermore, the higher authority will send a reminder regarding the letter mentioned above.
- An add-on course on computer language and advanced technology should be introduced so that most students can participate.
- IQAC has also suggested that seminars, workshops, and internship programs be organized on a regular basis. This will allow our students to be enriched by eminent external professors.
- The number of computers with internet access will be increased to enhance information technology literacy.

19. Suggestions for the improvement of curriculum of the program.

We are facing some difficulties regarding the curriculum due to lack of faculties. Currently we have only one faculty in our department who is trying as best as possible, but it would be helpful if few more faculties join our department.
