Sub: Request for granting permission to conduct N.C.C. training in Government General Degree College at Mejia (Gopalpur), P.O. Mejia, Dist Bankura, PIN 722143.

Sir,

This is to inform you that the Government General Degree College at Mejia (Gopalpur) has started its academic activities from the academic session 2015-2016. The college wants to impart N.C.C training to its 1st and 2nd year students of B. A., B. Sc. & B. Com. (Honours and General) courses from the academic session 2016-17. At present the college can provide a room, a ground and two teaching staff-one each for two years as co-ordinators for conducting such training programme on regular basis. About 100 students of the college are willing to participate in the N. C. C training programme.

I, shall be obliged if you kindly make necessary arrangements for granting permission to conduct N.C.C. training in Government General Degree College at Mejia (Gopalpur) as early as possible.

Thanking you,

Yours faithfully,

Sir,

As you are aware, our college was established in 2015 and is affiliated to Bankura University from the Academic Session 2017-2018. The college is desirous of establishing a unit of the National Service Scheme. Worthwhile to mention that we have applied several times for this but yet to receive any positive feedback. Our previous applications are attached herewith.

Therefore, you are requested to take necessary steps for urgent establishment and recognition of an N.S.S. Unit in our college at the earliest and oblige.

The All Principal/ T.I.C/ O.I.C of the Colleges Having NSS Units under Bankura University

Respected Madam/ Sir,

During the time of last NSS Advisory Committee Meeting of Bankura University in 2023, we have noticed that 2 Colleges ('Kabi Jagadram Roy Government General Degree College' and 'Akui Kamalabala Women's College') who do not have any NSS Unit at their College, have applied to provide them 1 NSS Unit.

During that time, Hon'ble Members of the NSS Advisory Committee have decided to transfer 2 running NSS Units (out of 48) on the basis of (poor) performance. Now, within a very short period we are going to convene our NSS Advisory Committee Meeting again. And in that meeting we will transfer 2 NSS Units to the above mentioned colleges. Your kind cooperation is highly solicited in this regard.

Sub: Request for installation of a Solar Photovoltaic Power Generating System with 24 hours battery back up at RCC roof tops of Kabi Jagadram Roy Government General Degree College, Mejia, Dist. - Bankura, West Bengal.

Respected Sir/Madam,

Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-Dist., West Bengal has one three-storeyed academic-cum-administrative building and a one-storeyed canteen building. Both the buildings have RCC roof top which receive sufficient solar energy for quite a long time during the sunny days. Thus, these roof tops will be very much ideal for generations of electricity by using solar energy and creating no pollution to the environment. As a result, we will be able to reduce the electricity bill for our college and get rid of load shedding.

I, therefore, request you to make necessary arrangement for installation of a Solar Photovoltaic Power Generating System with Electrical storage batteries for the backup for 24hrs. at RCC roof top of our college.

Thanking you,

Yours sincerely,

Memo No : 046/CSR/MTPS

Date : 22/02/2024

To,
The Deputy General Manager
Mejia Thermal Power Station (Damodar Valley Corporation)
MTPS, Durlavpur Dist. - Bankura, PIN 722183 West Bengal

Subject: Request for undertaking two works, namely, (i) Renovation of a pond (waterbody), and (ii) Installation of grid-integrated RCC roof-top solar panel system in Kabi Jagadram Roy Government General Degree College, Mejia, Dist – Bankura through the CSR activities of your organisation.

Dear Sir,

Kabi Jagadram Roy Government General Degree College, a sole public-funded institution with a present student strength of 400, was newly set up in 2015 by the Dept. of Higher Education, Govt. of West Bengal. It is located (Lat: 23.57736°N; Long: 87.10085°E) in a rural area about 10 km away from the Mejia Thermal Power Station, beside the NH-60 at Shyamapur village (J. L. No: 08) in the Gopalpur Mouza of Mejia block in the Bankura district, West Bengal (*Enclosure-1*).

The college campus spreads over 5.42 acres of land with a pond (water body). The college authority decided to restore the water body for emergency need of water supply, aqua culture, preserving the ecological balance, promoting biodiversity, and beautification of the campus. However, at present, it is partly filled up with sediments and grasses due to lack of maintenance. The college could not renovate the same till now due to shortage of fund.

The college has one three-storeyed academic-cum-administrative building and a one-storeyed canteen building. Both the buildings have RCC roof-top, which receives sufficient sun light for quite a long time during the sunny days. Thus, these roof tops are ideal for generations of solar power. However, due to lack of fund, this valuable prospect of the college remains unutilised.

I, therefore, request for undertaking two works, namely, (i) Renovation of the pond (waterbody) including excavation, maintenance of the surrounding bund and a fencing on all sides, and (ii) Installation of grid-integrated RCC roof-top solar panel system in our college through the CSR activities of your organisation. All stakeholders of the college will be highly benefited by these two works. Moreover, the college is preparing for its evaluation by the National Assessment and Accreditation Council (NAAC) under the University Grants Commission (UGC). These proposed benevolent social activities, if sanctioned, will also be referred to the NAAC.

A site visit is requested for estimation of quantum of work and expenditure.

Thanking you.

Sub: Request for undertaking two works, namely, installation of (i) 20 Nos of Solar Street Lights and (ii) 350 Nos. of LED Lights inside the buildings of Kabi Jagadram Roy Government General Degree College, Mejia, Dist - Bankura through the CSR activities of your organisation

Dear Sir,

This is for your kind information that Kabi Jagadram Roy Government General Degree College, a sole public-funded institution with present student strength of 400, was newly set up in 2015 by the Dept. of Higher Education, Govt. of West Bengal. It is located (Lat: 23.57736°N; Long: 87.10085°E) in a rural area beside the NH-60 at Shyamapur village (J. L. No: 08) in Gopalpur Mouza of Mejia block, Bankura district, West Bengal.

Within the campus, there are three interconnected streets (*Enclosure-1*), namely, (a) Street-1: 120 m long, connecting main building through the main entrance of the college from the NH-60 side, (ii) Street-2: 48 m long, approaching the parking place, and (iii) Street-3: 32 m long, approaching canteen building. These streets are surrounded by luxuriant growth of vegetation. During daytime, the streets receive sufficient sun light. However, evening onward, the premises become vulnerable because of presence of poisonous snakes, insects and other wild animals due to complete darkness in absence of street lights. The college is unable to provide street lights covering the entire length, till now, due to lack of fund

The college has a three-storied academic-cum-administrative building and a one-storied canteen building. These buildings are at present fitted with conventional/normal gas tube lights.

I, therefore, request you for undertaking two works, namely, installation of (i) a total of 20 Nos of Solar Lights besides the aforesaid streets at about 16 m apart, and (ii) 350 Nos. of LED Lights for administrative cum academic building and canteen building in our college through the CSR activities of your organisation. All stakeholders of the college will be highly benefited by these two works. Moreover, the college is preparing for its evaluation by the National Assessment and Accreditation Council (NAAC) under the University Grants Commission (UGC). These proposed benevolent social activities, if sanctioned, will also be referred to the NAAC.

A site visit is requested for estimation of quantum of work and expenditure.

Memo No. 108/SBI Mejhia

Date: 18.05.2024

To,
The Branch Manager
State Bank of India
Mejia Branch (03871)
Bankura, West Bengal

Subject: Revised application for donation of one (01) laptop, three (03) air-conditioning machine and one (01) rolling window screen under CSR scheme to Kabi Jagadram Roy Government General Degree College, Mejia in addition to one (01) wheel chair vide our previous application [Reference Memo No. 019/SBI/Mejhia dated 24.01.2024]

Dear Sir,

I hope this letter finds you well. I am writing on behalf of Kabi Jagadram Roy Government General Degree College, serving with a mission to provide affordable quality education to the students since 2015. Our college needs essential equipments to improve the learning environment. We arrange a good number of seminars, workshops, career counselling, awareness campaigns and certificate courses on various topical issues for the sake of students in every year. Renowned academicians from different esteemed institutes visit our college very often for deliberating invited lectures and career guidance. We also encourage student-seminar programmes for their personality development. Due to lack of required fund release from Dept. of Higher Education, we are unable to arrange well equipped seminar/conference hall in our college. We have a Mathematics lab cum seminar room at the 3rd floor (Room No. 301) of our college building where we use to organise such academic programmes. In this regard, with your assistance, we hope to acquire,

1. One laptop for the conference room to facilitate presentations during seminars, workshops, and other academic programmes, thereby enhancing the overall learning experience for especially the students.
2. One rolling window screen for hassle-free clean display during the presentation.
3. Two air conditioning machines (AC) (1.5 ton) for the seminar room to create a comfortable and conducive environment for teaching and learning.
4. One air-conditioning machine (AC) (1.5 ton) for "Rajarshi Chatterjee Museum of Geology" (Room no. 107B) at the ground floor, procuring nice collection of rare rocks, minerals and fossil specimens, which is frequently visited by nearby schools & college students, teachers and industry persons;
5. (In addition to) a wheel chair (vide Memo No. 019/SBI/Mejhia dated 24.01.2024).

As a pillar of our community, State Bank of India (SBI) has shown commitment to social responsibility. Your generous contribution will deeply benefit the college and its students, fostering academic success and a positive learning environment. Additionally, it would reinforce SBI's commitment to supporting education and empowering youth in our community.

Thank you for considering this request. I am available at your convenience to discuss this matter further and provide any additional information required.

Sincerely Yours,

Ref.: Your memo no. 190-EH/CG/4C-26/2018 dated 11th. October 2018

Sir,

With reference to the above, please find enclosed demand for the FY 2019 – 2020 for new projects (**Annexure I**) as well as Status Report for ongoing projects – previously approved – in (**Annexure II**) as per approved format.

Essential supporting documents like estimate submitted by PWD, Govt. of West Bengal are also enclosed herewith.

In this connection, as the undersigned has already informed you during our conversation in your office on 30th. October, 2018, requests for estimate for three other projects, viz. 'construction of New Science Building along auditorium', 'building of infrastructure including gas chamber for Chemistry laboratory' and 'landscaping of the college campus and creation of playground' have been lying with the Executive Engineer, P.W.D. (Social Sector), Bankura Division, for almost two months. In spite of repeated efforts of the undersigned, it has not been possible as yet to receive estimates for the aforementioned projects from PWD. Therefore, the undersigned anticipates a slight delay of around one week in submission of estimates and justification for the projects mentioned above. The estimate and justification will be sent to your office as soon as it is available from the PWD. In view of the vital importance to the projects involved, you are requested to kindly consider the matter and include the projects during the preparation of the budget for the FY 2019 – 2020.

This is for your information and necessary action.

ANNEXURE I

DEMAND FOR FUNDS FOR NEW PROJECTS (FY 2019 – 2020)

NEW PROJECTS (for FY 2019 – 2020)			
Sl. No.	Amount Required during FY 2019 – 2020 (Rs.)	Name of the Scheme (Purpose)	Justification
1	19,51,482.00	Modification of basement in north wing of main college building, including building of brick partitions/walls for creation of four air-conditioned rooms, one store room and two bathrooms, with doors and shutters for the main gate of basement and rooms.	The basement in the north wing of the main building of the college is lying unutilized since the inception of the college. The college has not been able to introduce NCC & NSS due to lack of rooms for the same. This basement may be converted into rooms for NCC & NSS wings of the college. The creation of a store room is absolutely essential for safe storing of misc. items like old documents, answer scripts and almirahs. Two other rooms shall be used as computer labs for Commerce and Mathematics. (Estimate provided by PWD is attached as <i>Annexure I</i>)
2	21,78,187.00	Heightening, repair and strengthening of boundary wall of the college campus along with main gate, with barbed-wire fencing on top.	Due to the sloping nature of the land on which the college is situated and dumping of fly-ash around the campus by outside agencies, the boundary wall of the college has collapsed in some places. Strengthening of the boundary wall by increasing its height with barbed wire on top is vital for the safety and security of the college premises. (Estimate provided by PWD is attached as <i>Annexure I</i>)
2	29,40,577.00	Building of drainage system with culverts and mechanism for flow of excess water to extant water body to prevent water logging of the college campus during monsoon season, and rejuvenation of extant water body including building of concrete bank.	Due to sloping nature of the land on which the college is situated, the college faces a problem of chronic water-logging. A portion of the college boundary wall has already fallen down as a result of water-logging, and during the monsoons the approach road to the main building is completely submerged. The campus has a water body which may be restored to ensure conservation of ground water and prevention of water-logging. The restoration of the water body shall also have environmental and aesthetic value. (Estimate provided by PWD is attached as <i>Annexure I</i>)
4	5,00,000.00	Purchase of books and journals	Since the college was established in 2015, there is a dire necessity for purchase of books and journals for the students, particularly due to the introduction of new syllabi in almost subjects under the CBCS pattern.
5	5,00,000.00	Purchase of chemicals and glassware	The college plans to introduce Chemistry as a pass subject from the next academic year, and thus purchase of chemicals and glassware is essential for setting up of the laboratory.
TOTAL (Rs.):	80,70,246.00	(Rupees eighty lakhs seventy thousand two hundred and forty six only)

Memo No.: 174/1019/Spl.-Secy./Budged/ 2020-21

Date: 24th. October 2019.

I) DEMAND FOR FUNDS FOR ADDITIONAL NEW PROJECTS PWD (FY 2020-2021)

Sl. No.	Amount Required during FY 2020-2021	Name of the Scheme (Purpose)	Justification	Remarks
1	6,24,71,002.00	Construction of New Science Building along with Auditorium.	<p>After the introduction of CBCS under Bankura University, the college has been facing an acute shortage of classrooms to accommodate students opting for different subjects. The college also plans to introduce Physics Honours and Chemistry pass subjects at the earliest in accordance to popular local demand. The construction of a new building to accommodate existing classes and students of new subjects is imperative for proper carrying out of teaching learning activities and laboratory work. Additionally, the introduction of postgraduate studies in Geology in future – a subject of particular local importance, in view of the mining industries in the area – requires additional space for classrooms and laboratories. The college does not have an auditorium which is necessary for holding of seminars and other functions of the college. Under the circumstances, the construction of the New Science Building with auditorium is of vital importance to the progress and development of the college. It would be pertinent to mention that:</p> <p>a) A proposal for the construction of this building along with rough plan of the building prepared by the Executive Engineer, PWD (Social Sector), Bankura Division, had been forwarded to your office in February 2016; and</p> <p>b) The undersigned was given to understand by the Executive Engineer, PWD (Social Sector), Bankura Division, that a portion of the funds for which administrative approval had been granted during the inception of the college, might still available for sanction.</p>	<p>The proposal had already been sent to you in the Previous Year (2019-2020), vide College Memo No. 195/1118/Spl.-Secy/HED/New-Projects (NSB & PG) dated 02.11.2018. As known from the Executive Engineer, PWD (Social Sector), Bankura, it is under the process of making estimate including both civil and electrical works as desired by the higher authorities of the PWD.</p>

Date: 24th. October 2019.

2	19,51,482.00	Modification of basement in north wing of main college building, including building of brick partitions/walls for creation of four air-conditioned rooms, one store room and two bathrooms, with doors and shutters for the main gate of basement and rooms.	The basement in the north wing of the main building of the college is lying unutilized since the inception of the college. The college has not been able to introduce NCC & NSS due to lack of rooms for the same. This basement may be converted into rooms for NCC & NSS wings of the college. The creation of a store room is absolutely essential for safe storing of miscellaneous items like old documents, answer scripts and almirahs. Two rooms shall be used as computer labs for Commerce and Mathematics. (Estimate provided by PWD is attached as Annexure-I)	All the proposals had also been sent in the Previous Year (2019-2020), vide College Memo No. 191/1018/Spl.-Secy/ HED/ Status-Report dated 31.10.2018. However, any further action taken on these proposals is not known to the undersigned.
3	21,78,187.00	Heightening, repair and strengthening of boundary wall of the college campus along with main gate, with barbed-wire fencing on top.	Due to the sloping nature of the land on which the college is situated and dumping of fly-ash around the campus by outside agencies, the boundary wall of the college has collapsed in some places. Strengthening of the boundary wall by increasing its side with barbed wire on top is vital for the safety and security of the college premises. (Estimate provided by PWD is attached as Annexure-II)	
4	29,40,577.00	Building of drainage system with culverts and mechanism for flow of excess water to extant water body to prevent water logging of the college campus during monsoon season, and rejuvenation of extant water body including of concrete bank.	Due to sloping nature of the land on which the college is situated, the college faces a problem of chronic water logging. A portion of the college boundary wall has already fallen down as a result of water logging, and during the monsoon the approach road to the main building is completely submerged. The campus has a water body which may be restore to ensure conservation of ground water and prevention of water logging. The restoration of the water body shall also have environmental and aesthetic value. (Estimate provided by PWD is attached as Annexure-III)

Sl. No.	Amount (Rs) required during FY 2021-2022	Name of the Scheme (Purpose)	Justification	Remarks
1	11,16,520.00	Repairing of boundary wall of the college campus.	Due to the sloping nature of the land on which the college is situated and dumping of fly-ash around the campus by outside agencies, a part of boundary wall near main gate of the college has collapsed. Repairing of the boundary wall is vital for the safety and security of the college premises. (Estimate provided by PWD is attached as <u>Annexure-I</u>)	
2	5,21,601.00	Construction of security room near the main gate of the college.	Due to safety and security for the Government property, it is very much essential to construct security room near the main gate of the college. (Estimate provided by PWD is attached as <u>Annexure-II</u>)	For safety and security of the Government premises, these works at this moment is very much essential.
3	6,52,420.00	Fixing of glow sign board at the main gate of the college.	As per inspection report of the Executive Engineer, PWD (SS), Bankura Division, further construction to complete the main gate with the two existing pillars is not possible due to filling of the area by a huge thickness of loose soil. At present, name of the college is not shown in the incomplete main gate of the college. However, the name of the Govt. Office/ Premises is very much important for showing its existence. Thus, fixing light structure like glow-sign board containing the name of the college at main gate is essential. (Estimate provided by PWD is attached as <u>Annexure-III</u>)

Calcutta: The state government thinks the first phase Covid-19 vaccination will be several months and is drawing up plans such as deploying doctors and nurses for the inoculation drive in rural and hospital services do not suffice. The 19 Covid-19 vaccination sites in Calcutta are both in hospitals (government run as well as private) or war health clinics of the Calcutta Municipal Corporation (CMC). Primary, secondary and tertiary care as well as routine immunisation is provided by units of these institutions. The state health department has decided that Covid-19 vaccines will be administered on Monday, Tuesday, Thursday and Friday every week. Hospital administrator said it meant that some of 1561 nurses and doctors would be away from hospital services on four days a week. The hos

Sub: Request for sanction and approval of **Rs. 6,52,420.00 (Rupees six lakh fifty two thousand four hundred & twenty only)** for construction work by PWD at Kabi Jagadram Roy Government General Degree College, Mejia.

Respected Madam,

With reference to the above, please sanction and approve the fund of Rs. 6,52,420.00 (Rupees six lakh fifty two thousand four hundred & twenty only) related to fixing of glow sign board at the main gate of the college campus. As per inspection report of the Executive Engineer, PWD (SS), Bankura Division, further construction to complete the main gate with the two existing pillars is not possible due to filling of the area by a huge thickness of loose soil. At present, name of the college is not shown in the incomplete main gate of the college. However, the name of the Govt. Office/ Premises is very much important for showing its existence. Thus, fixing light structure like glow-sign board containing the name of the college at main gate is very much essential. Essential supporting documents like estimate submitted by PWD, Govt. of West Bengal, are also enclosed herewith.

This is for your information and further necessary action.

Thanking You.

Kabi Jagadram Roy Govt. General Degree College, Mejia.

Ref :- Vide your letter memo no. 091/0522/PWD-ED Dated 12.05.2022

Sir,

With reference to the above, this is to inform you that the above stated work will be completed within 3(three) months from the date of receipt of administrative approval during the financial year 2022-23.

As the work will be completed within the financial year 2022-23, the total fund has to be allotted within the current financial year i.e 2022-23. So, phasing of fund allotment is not at all required in this particular case.

Thinking you.

Sub: Request for sanction and approval of **Rs. 11,16,520.00 (Rupees eleven lakh sixteen thousand five hundred & twenty only)** for construction work by PWD at Kabi Jagadram Roy Government General Degree College, Mejia.

Respected Madam,

With reference to the above, please sanction and approve the fund of Rs. 11,16,520.00 (Rupees eleven lakh sixteen thousand five hundred & twenty only) related to repairing of a part of boundary wall of the college campus. Due to sloping nature of the land and dumping of fly-ash around the campus by outside agency, a part of boundary wall has collapsed near main gate of the college campus. Therefore, repairing of boundary wall is vital for safety and security of the college campus. Essential supporting documents like estimate submitted by PWD, Govt. of West Bengal, are also enclosed herewith.

This is for your information and further necessary action.

Thanking You.
