Dear Sir,

Subject: Donation of Wheelchair for Physically Challenged Persons

I hope this letter finds you in good health and spirits. I am writing to you with the intention of donating a wheelchair to your esteemed institution for the benefit of students with physical disabilities. I have always believed in the importance of inclusivity and the need to provide adequate facilities for physically challenged individuals to ensure they have equal opportunities to pursue their education. In light of this, I would like to make a small contribution towards improving accessibility for these students by donating a wheelchair to your college. I trust that this small gesture will serve its purpose of enhancing the quality of life for physically challenged students at your institution.

I hope this contribution will be of assistance and look forward to your acknowledgment.

Thank you for your time and consideration.

Yours sincerely,

Shri Rajesh Das
