College Environmental Committee

SOP

About:

- College Environmental Committee plays an important role in creating environmental awareness amongst the future generation.
- It is a platform where we get knowledge about the environment. It also enables the students to be sensitive towards environmental concern to tackle environmental problems.

Objectives:

- To educate the students about their environment.
- To create a clean and green consciousness among students through various innovative methods.
- To involve them in efforts to preserve the environment.

Methodology:

Formation of the committee:

Sl. No.	NAME	NOMINATED AS
1	Shri Alope Kumar Das, Officer-in-Charge	Chairman
2	Shri Debraj Das, Assistant Professor of Economics	Convener
3	Dr. Aresh Kumar Maji, Associate Professor of Geology & IQAC Coordinator	Member
4	Ms. Arpita Chauni, Asst. Prof. of Philosophy	Member

8	Ms. Rakhi Mondal, SEM-III (Commerce) Student	Member
9	Shri Biltu Chatterjee, SEM-I (Geology) Student	Member

Officer-in-Charge
Kabi Jagadram Roy Govt. General Degree College
Mejia-722143, Dist-Bankura, W.B.

List of suggested activities:

The committee may undertake any activity related to the improvement of the environment. The committee may take up any activity of their choice depending on their choice depending on their local condition and course of action.

- Action based activities like tree plantation, cleanliness drives both within and outside the college campus.
- Grow kitchen garden by organic farming, maintain the water body in the college premises.
- Prepare a butterfly garden, medicinal plants garden, seasonal flower garden.
- Organize rallies, marches at public places with a view to spreading environmental awareness.
- Organize awareness program against defecation in public places, pasting posters in public places and to propagate personal hygiene habits like washing hands before meals etc.
- Creation and maintaining of Biodiversity Register.

KABI JAGADRAM ROY GOVERNMENT GENERAL DEGREE COLLEGE
Report on 'Tree Plantation Programme'
Organised by Students' Welfare Committee (Cultural)
Date: 24.08.2022

On 24.08.2022, Kabi Jagadram Roy Government General Degree College organized a successful tree plantation programme. The event aimed to promote environmental responsibility and contribute to a greener campus. The programme witnessed enthusiastic participation from students and teachers. The Officer-in-Charge, Sri Alope Kumar Das briefly described the importance of tree plantation to the students. Sri Debraj Das, member of Campus Beautification Committee mentioned the types and numbers of saplings to be planted. He also described to the students how the selection of saplings was made remembering the suitable soil types and climate. All of the students, teachers and non-teaching staffs planted the saplings carefully after the speeches. Some students and care takers of the college were assigned responsibility for nurturing watering and monitoring the growth of the saplings. So, the tree plantation programme was a resounding success. The active participation of the college community not only contributed to a greener campus but also fostered a sense of environmental responsibility.

KABI JAGADRAM ROY GOVERNMENT GENERAL DEGREE COLLEGE

**Report on 'Tree Plantation Programme'
Organised by Students' Welfare Committee**

&

**Green and Campus Beautification Committee
With active participation of Students**

Date: 08/07/2019

On 8th July, 2019 Kabi Jagadram Roy Government General Degree College successfully organized a tree plantation programme under the supervision of Students' Welfare Committee, and Green and Campus Beautification Committee with active support and participation of students. The event intended to endorse environmental awareness and responsibility for a greener campus. The programme witnessed enthusiastic participation from students. The programme was initiated by a speech of Mrs. Roshni Sen, organising committee member who briefly described the importance of tree plantation to the students. Sri Debraj Das, mentioned the types and numbers of saplings to be planted. He also described to the students how the selection of saplings was made remembering the suitable soil types and climate. All of the students, teachers and non-teaching staffs planted the saplings carefully after the speeches. Some students and care takers of the college were assigned with responsibility for nurturing, watering and monitoring the growth of the saplings.

KABI JAGADRAM ROY GOVERNMENT GENERAL DEGREE COLLEGE

Report on 'Tree Plantation Programme'

Organised by

Students' Welfare Committee with active participation of Students

Date: 18/07/2018

Kabi Jagadram Roy Government General Degree College always promotes and encourages green initiatives and campus beautification. Every year a tree plantation programme is organized with the support of Mejia Forest Office and active participation of students. This year the programme was conducted by Students' Welfare Committee on 18th July, 2018. The programme witnessed enthusiastic participation from students. The programme was initiated by a speech of Sri Rajarshi Chatterjee, Officer-in-Charge who appreciates this initiative to endorse environmental awareness and responsibility for a greener campus. He motivated our students towards a green and clean campus. Sri Debraj Das, mentioned the types and numbers of saplings to be planted. Students, teachers and non-teaching staffs planted the saplings. Some students and non-teaching staffs of the college were assigned with responsibility for nurturing, watering and monitoring the growth of the saplings. Students were also provided saplings for plantation in their home ground or neighbourhood.

Kabi Jagadram Roy Government General Degree College
Cleaning and Beautification of College campus
Conducted by students
Under the guidance of Students' Welfare committee
Date: 06/01/2022

After the long gap of COVID PANDEMIC, Students' Welfare Committee took the initiative of cleaning the campus. In absence of NSS some enthusiastic students voluntarily conducted a campus cleaning and beautification programme under the guidance of the said committee on 06.01.2022. They worked hard the entire day. The day long programme was very effective to organise and clean the beautiful campus.

Sub: Request for installation of a Solar Photovoltaic Power Generating System with 24 hours battery back up at RCC roof tops of Kabi Jagadram Roy Government General Degree College, Mejia, Dist. - Bankura, West Bengal.

Respected Sir/Madam,

Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-Dist., West Bengal has one three-storeyed academic-cum-administrative building and a one-storeyed canteen building. Both the buildings have RCC roof top which receive sufficient solar energy for quite a long time during the sunny days. Thus, these roof tops will be very much ideal for generations of electricity by using solar energy and creating no pollution to the environment. As a result, we will be able to reduce the electricity bill for our college and get rid of load shedding.

I, therefore, request you to make necessary arrangement for installation of a Solar Photovoltaic Power Generating System with Electrical storage batteries for the backup for 24hrs. at RCC roof top of our college.

Thanking you,

Yours sincerely,

MEMO NO: 050/ED/CMPDIL Date: 29/03/2024

To,
The Hon'ble Regional Director
CMPDIL
Regional Institute-1
Asansol

Sub: Request for undertaking two works, namely, installation of (i) 20 Nos of Solar Street Lights and (ii) 350 Nos. of LED lights inside the buildings of Kabi Jagadram Roy Government General Degree College, Mejia, Dist – Bankura through the CSR activities of your organisation

Dear Sir,

This is for your kind information that Kabi Jagadram Roy Government General Degree College, a sole public-funded institution with present student strength of 400, was newly set up in 2015 by the Dept. of Higher Education, Govt. of West Bengal. It is located (Lat: 23.57736°N; Long: 87.10085°E) in a rural area beside the NH-60 at Shyamapur village (J. L. No: 08) in Gopalpur Mouza of Mejia block, Bankura district, West Bengal.

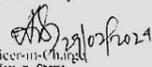

Within the campus, there are three interconnected streets (Enclosure-1), namely, (a) Street-1: 120 m long, connecting main building through the main entrance of the college from the NH-60 side, (ii) Street-2: 48 m long, approaching the parking place, and (iii) Street-3: 32 m long, approaching canteen building. These streets are surrounded by luxuriant growth of vegetation. During daytime, the streets receive sufficient sun light. However, evening onward, the premises become vulnerable because of presence of poisonous snakes, insects and other wild animals due to complete darkness in absence of street lights. The college is unable to provide street lights covering the entire length, till now, due to lack of fund.

The college has a three-storied academic-cum-administrative building and a one-storeyed canteen building. These buildings are at present fitted with conventional/normal gas tube lights.

I, therefore, request you for undertake two works, namely, installation of (i) a total of 20 Nos of Solar Lights besides the aforesaid streets at about 16 m apart, and (ii) 350 Nos. of LED Lights for administrative cum academic building and canteen building in our college through the CSR activities of your organisation. All stakeholders of the college will be highly benefited by these two works. Moreover, the college is preparing for its evaluation by the National Assessment and Accreditation Council (NAAC) under the University Grants Commission (UGC). These proposed benevolent social activities, if sanctioned, will also be referred to the NAAC.

A site visit is requested for estimation of quantum of work and expenditure.

Thanking you,

Yours faithfully,

Officer-in-Charge
Kabi Jagadram Roy Government General Degree College
Mejia - 722143, Dist - Bankura, W.B.

Memo No: 046/CSR/MTPS

Date: 22/02/2024

To,
The Deputy General Manager
Mejia Thermal Power Station (Damodar Valley Corporation)
MTPS, Durlavpur Dist. - Bankura, PIN 722183 West Bengal

Subject: Request for undertaking two works, namely, (i) Renovation of a pond (waterbody), and (ii) Installation of grid-integrated RCC roof-top solar panel system in Kabi Jagadram Roy Government General Degree College, Mejia, Dist – Bankura through the CSR activities of your organisation.

Dear Sir,

Kabi Jagadram Roy Government General Degree College, a sole public-funded institution with a present student strength of 400, was newly set up in 2015 by the Dept. of Higher Education, Govt. of West Bengal. It is located (Lat: 23.57736°N; Long: 87.10085°E) in a rural area about 10 km away from the Mejia Thermal Power Station, beside the NH-60 at Shyamapur village (J. L. No: 08) in the Gopalpur Mouza of Mejia block in the Bankura district, West Bengal (Enclosure-1).

The college campus spreads over 5.42 acres of land with a pond (water body). The college authority decided to restore the water body for emergency need of water supply, aqua culture, preserving the ecological balance, promoting biodiversity, and beautification of the campus. However, at present, it is partly filled up with sediments and grasses due to lack of maintenance. The college could not renovate the same till now due to shortage of fund.

The college has one three-storeyed academic-cum-administrative building and a one-storeyed canteen building. Both the buildings have RCC roof-top, which receives sufficient sun light for quite a long time during the sunny days. Thus, these roof tops are ideal for generations of solar power. However, due to lack of fund, this valuable prospect of the college remains unutilised.

I, therefore, request for undertaking two works, namely, (i) Renovation of the pond (waterbody) including excavation, maintenance of the surrounding bund and a fencing on all sides, and (ii) Installation of grid-integrated RCC roof-top solar panel system in our college through the CSR activities of your organisation. All stakeholders of the college will be highly benefited by these two works. Moreover, the college is preparing for its evaluation by the National Assessment and Accreditation Council (NAAC) under the University Grants Commission (UGC). These proposed benevolent social activities, if sanctioned, will also be referred to the NAAC.

A site visit is requested for estimation of quantum of work and expenditure.

Thanking you.
