## REPORT

The wall magazine 'Ekushe' is a wonderful platform to celebrate the originality and creativity of our students. Even though we wish to publish the magazine on 21<sup>st</sup> February, on the International language Day, a hectic examination schedule deferred the publication. However, the enthusiasm of the students helped us to publish ultimately. Cultural committee faced a joyful problem for they had to pick from seven or eight essays or poems from thirty submissions. The handwritten wall magazine was finally published by the OIC Alok Kr Das. The design and writings were done by students.
