A brief report on one-day Programme

on

"***A Carrier counselling programme and interactive session for students on prospects of Earth science in academia***"

organized by,

Department of Geology

Kabi Jagadram Roy Government General Degree College

Mejia, Bankura-722143, W.B., India

Date: March 11, 2024 (Monday) : Time: 3.30PM, Room No. 301

A one-day program on "Career Guidance for Students in National Examinations: An Interactive Session" was organized by the Department of Geology, Kabi Jagadram Roy Government General Degree College, Mejia, Bankura-722143, W.B. on March 11, 2024 (Monday) at 03:30 PM. The aim of the program was to provide students with valuable insights into various career paths and empower them to make informed decisions about their futures. The event brought together students from diverse backgrounds to participate in these interactive sessions. The session began with a welcome address by Dr. Asesh K. Maji, Associate Professor, IQAC Co-ordinator, and Head of the Department of Geology. Dr. Maji emphasized the relevance of the session and highlighted the importance of conducting such programs. He also welcomed all the dignitaries, including Prof. Aloke Kumar Das, Officer-in-Charge of KJRGGDC; Prof. Subir Sarkar, Resource Person and Professor at Jadavpur University; faculty members from the Department of Geology and other departments, as well as students and non-teaching staff.

The program was officially inaugurated by Prof. Aloke Kumar Das, Officer-in-Charge of KJRGGDC. In his inauguration speech, Prof. Das expressed his support for the educational initiative, welcomed all the delegates and participants, and conveyed his encouragement for active student participation. He also expressed appreciation for the organizing committee's efforts in making the program possible.

Prof. Subir Sarkar, the resource person, addressed the participants by focusing on various aspects of career planning and development, such as skill enhancement and personality development. He shared valuable insights on how to face interviews, emphasizing the importance of body language and behavior during the interview process. Prof. Sarkar also discussed strategies for handling difficult or unfamiliar questions, managing nervousness before an interview, and presenting oneself confidently to interviewers. The session provided students with practical guidance and tips for navigating the competitive world of national examinations and career opportunities.

Indrani Mondal

Organizing Committee

Participation:

This seminar was primarily organized for students, with participation from various departments. In addition to the students of the Department of Geology, students from the Departments of English, Mathematics, and Physics at KJRGGDC, as well as Geology students from Shahid Matangini Hazra Government General Degree College for Women, also attended. A total of around 30 participants, including students from current batches and a few alumni of the Department of Geology, were present at the workshop.

Seminar Objective:

The objective of the seminar was to empower students through self-exploration, helping them identify their interests, strengths, and weaknesses, and introducing them to various career options, industries, and the skills required for success. It aimed to assist students in setting realistic career goals based on their individual capabilities while also informing them about various educational pathways and their benefits. The seminar covered essential job search skills, such as resume writing and networking, and facilitated the development of important soft skills through interactive activities. Furthermore, students were provided with insights into different career paths, workplace cultures, and basic financial concepts related to career decisions. The seminar also aimed to offer access to career planning tools and support services, ensuring ongoing guidance for continued career exploration and assistance with interview preparation.

Seminar Outcome:

By the end of the one-day career guidance session, students gained valuable self-awareness to inform their career decisions. They explored diverse career paths and industries, set realistic career goals, and understood the educational options available to them. Students acquired essential job search skills and soft skills, gaining practical knowledge from industry professionals. The seminar also introduced basic financial literacy and provided access to resources for career planning. Follow-up support was emphasized to ensure continued career exploration and goal achievement beyond the session.
