*Date:* 28th May, 2024

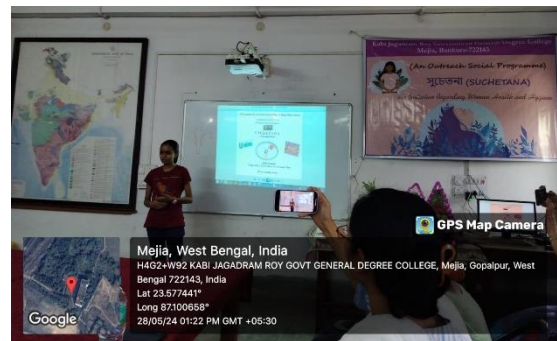

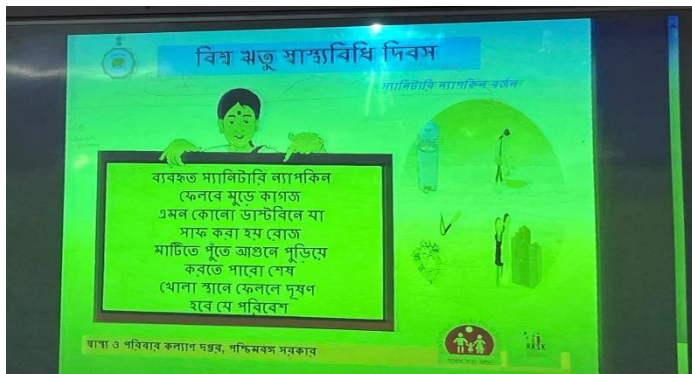

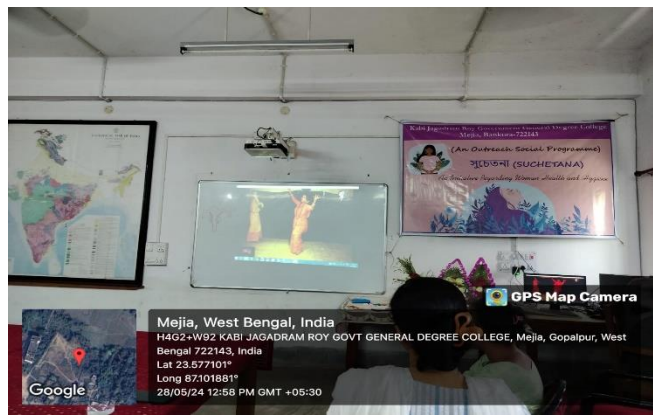

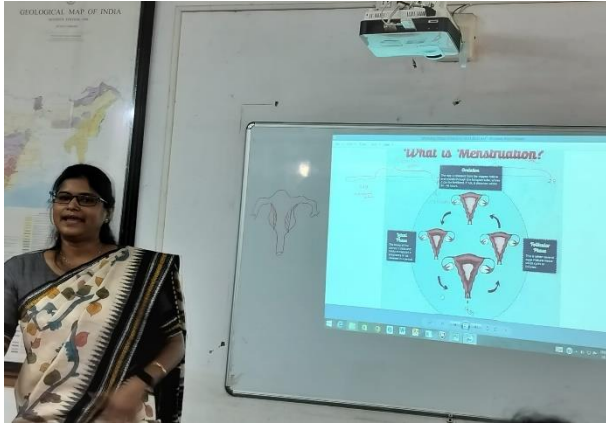

*Time:* 11.30 AM

*Venue:* Room No. 104 (Ground Floor)

Kabi Jagadram Roy Government General Degree College believes '**Women Empowerment begins with individual Health and Hygiene**'. Our college critically acknowledges the need of personal health and hygiene of women in rural areas. In this regard, Kabi Jagadram Roy Government General Degree College took initiative to undertake an outreach social programme entitled "SUCHETANA" related to women health and hygiene in nearby Gopalpur village, Mejia Block. The goal of this outreach endeavor is, in absence of NSS unit in our college at present, our faculty members along with a group of enthusiastic students (boys and girls) will visit monthly/bimonthly to the nearby tribal village and will meet the women to discuss about their health, hygiene and malnutrition related problems, and probable solutions. With a focus on empowering neighboring community "SUCHETANA" aims to fetch positive amend, and to endorse a culture of wellness and dignity in the women's livelihood.

On the significant juncture of 'International Day of Action for Women's Health' & 'Menstruation Hygiene Day (MHD)', "SUCHETANA" was officially inaugurated on 28<sup>th</sup> May, 2024 with active support of the chairperson of this committee and officer-in-Charge Sri Aloke Kumar Das and IQAC Coordinator of this college Dr. Asesh Kumar Maji. On the eve of this occasion, an awareness programme was organized by the faculty members of "SUCHETANA" for the students, teachers, and non-teaching staffs of our college under the direction of Dr. Kastuturi Roy, Medical Officer and Mrs. Sanghati Dasgupta, Lady Councilor (RKSK), BPHC, Mejia; which was followed by our visit to nearby Gopalpur village. We discussed with the adolescent girls and their mothers of the tribal community regarding their health and hygiene related lifestyle. Sanitary products were distributed for generating awareness concerning their menstrual hygiene. Fifty-nine (59) enthusiastic participants actively took part to make the two events towards a positive direction.
