Department of Geology

DEPARTMENTAL PROFILE

Meet our Faculty Members

	<p>Dr. Asesh Kumar Maji M. Sc., M. Tech., Ph. D (IIT, Kharagpur) Joined as W.B.E.S in 1999 Head of the Department Associate Professor of Geology Contact: 9434646687 askmaji@gmail.com</p>	<p>Research Interest:</p> <ul style="list-style-type: none">✓ Thermodynamic application to petrological system,✓ Genetic modeling on massif anorthosite,✓ Field oriented petrological and geochemical problems✓ Gold exploration. <p>Publication: 08, Completed Research Project: 2</p>
	<p>Dr. Indrani Mondal M. Sc., Ph.D (Jadavpur University) Joined as W.B.E.S in 2020 Assistant Professor of Geology Contact: +91 8582980987 mondalinrani59@gmail.com</p>	<p>Research Interest:</p> <ul style="list-style-type: none">✓ Proterozoic Shale Geochemistry✓ Biosedimentology, Biogeochemistry✓ Paleogeography, paleoenvironmental studies of Proterozoic sediment.✓ Precambrian life <p>Publication: 05, Seminar & Webinar: 06</p>

Infrastructure

1. Petrology Lab
2. Sedimentology Lab
3. Paleontology Lab
4. Rare collections of rock, mineral and fossil specimens in Geology museum
5. ICT enabled learning system (Smart class room)
6. Charts, models and maps

Best practices of the Department

1. Mentor Mentee System:

All the students of the department have been divided into small groups and each group has been assigned a teacher, to cater to their needs and solve their difficulties, be it in academics (special care for slow and advance learner separately) or any other aspect (medical, financial, mental health especially for the covid period). This system has ensured smooth and speedy solutions to the problems faced by the students. Students always acknowledge the benefit of menter-mentee system.

2. Open and candid environment:

The relationship between the teachers and the students of the Geology Department is remarkably open and friendly. Students can approach the teachers regarding any of their problems, not only during class hours, but any time of the day. Time spent during the geological field work strengthens the teacher-student bonding. Alumni students are always keep in touch with the teachers. They cherish the beautiful teacher-student relationship.

Future Plan

1. Extension, upgradation and improvization of Geology Museum
2. Registration of the Alumni Association
3. Intitiation of an annuanl e-magazine
4. Enhance computer: student ratio
5. Initiative for developement of the department in PG level.
